Attachment 1 Summary of Outstanding Rates for the period ended 31 May 2013

PURPOSE

1. To receive a report on rates debtors for the period ended 31 May 2013.

BACKGROUND

2. Attached is the report detailing rates debtors for the period ended 31 May 2013 (Attachment 1).
3. Rates notices were issued on 14 August 2012.
Instalment dates are as follows:

Option 1 (Full Payment)	By 18 September 2012
Option 2 (Two Instalments)	1 st Instalment Date by 18 September 2012 2 nd Instalment Date by 18 December 2012
Option 3 (Four Instalments)	1 st Instalment Date by 18 September 2012 2 nd Instalment Date by 19 November 2012 3 rd Instalment Date by 18 January 2013 4 th Instalment Date by 19 March 2013
4. A grace period of two weeks is given before closing the instalment period. Any amounts outstanding on those ratepayers with an instalment option are regarded as defaulted and essentially fall off from this arrangement. The Shire can accept a direct debit payment arrangement to finalise the balance or a special payment arrangement is made in extenuating circumstances. Strict protocols are maintained so that the Shire is seen to be fair and equitable to all ratepayers.
5. As noted on (Attachment 1), the Shire has collected 97.62% of the debt within eight and a half months. As a comparison, last year's collection rate was 96.18% even though rates notices were issued earlier.
6. Seventy Three letters of demand were sent in March 2013, 49 General Procedure Claims have been issued. Final notices have been sent for all outstanding instalments in early April 2013.

-
7. Interim rates raised to the month of May has been minimal with only \$4,744 being raised. No more interims will be raised as the database is prepared for the 2013/14 rates generation. On another note, the Shire is still awaiting valuation services from Landgate to determine the Ex-gratia amount due from the Dampier Bunbury pipeline. Department of Regional Development have been in contact regarding the delay in payment and have raised the issue that the rateable area according to them should be less than that recorded in the Shire's database.

40. Review of Policy Register

Applicant

Attachment 1	List of Policies to be Revoked
Attachment 2	Council Policies to be Adopted
Attachment 3	Shire Policies to be Noted
Attachment 4	Management Procedures to be Noted

PURPOSE

1. To consider the outcome of the review of the Shire of Kalamunda Policy Register and:
 - Revoke unnecessary and out dated Policies.
 - Adopt new and revised Council Policies.
 - Note the new Management Procedures for Council Policies.
 - Note the new Shire Policies and their associated Management Procedures.

BACKGROUND

2. Section 2.7 of the *Local Government Act 1995* ("the Act") provides that the development and adoption of policies is a key part of the role of Council.
3. In addition, it is necessary for the Chief Executive Officer to develop policies to support his functions and responsibilities and provide direction and guidance to the administrative staff.

DETAILS

4. The Shire of Kalamunda Policy Register has been in need of a comprehensive review for some time to ensure that the policies are still relevant with respect to the Shire's current strategic direction and operational environment.
5. The current review has assessed all existing policies on this basis as well as incorporating recommendations arising out of recent forensic audits and other investigations.
6. It is proposed that the new Policy Register will be divided into two parts consisting of Council Policies and their associated Management Procedures and Shire Operational Policies and Management Procedures.
7. Additionally, the policy format was assessed for conciseness of direction and guidance as well as operational efficiency. As a consequence the format has been revised with the Policy Statement in a stand-alone document supported by a Management Procedure document.

-
8. This style of format is consistent with that of Acts adopted by Parliament, whereby a Head of Power is included in an Act and the specific detail and direction to make the Head of Power work is contained in Regulations.
 9. The first series of policies to be adopted and those identified as not being required (and should therefore be revoked) are now ready for consideration by Council.

STATUTORY AND LEGAL CONSIDERATIONS

10. Section 2.7 of the *Local Government Act 1995*.

POLICY CONSIDERATIONS

11. The review being undertaken is aimed at ensuring all policies are current and relevant to the strategic objectives of Council and the current operational environment of the Shire.

COMMUNITY ENGAGEMENT REQUIREMENTS

12. None of the policies proposed to be revoked or adopted have a direct impact on the community and it is therefore considered that specific engagement is not required.

FINANCIAL CONSIDERATION

13. There are no financial issues associated with the adoption or revocation of Policies.

STRATEGIC COMMUNITY PLAN

Strategic Planning Alignment

14. *Kalamunda Advancing: Strategic Community Plan to 2023*

OBJECTIVE 6.3 To lead, motivate and advance the Shire of Kalamunda.

Strategy 6.3.3 Regularly review the organisation's structure, policies and procedures in response to changing circumstances.

Environmental Implications

RISK MANAGEMENT CONSIDERATIONS

18. The proposed new policies will provide better guidance and direction to staff and improve operational efficiency and management of risk. There is considered to be no operational risks attached to the policies to be revoked.

OFFICER COMMENT

19. The proposed new policies included with this Report have undergone a vigorous development and assessment process and are now considered in line with strategic objectives of the Council.
20. Further new and revised policies will be presented to Council as they are finalised.

3. Regulation 19DA (3) (6) of the *Local Government (Administration) Regulation 1996*, requires that Workforce Planning be one of the informing strategies of the Corporate Business Plan.
4. The elements of the IPF, detailing the hierarchical alignment of the Workforce Plan are illustrated in (Attachment 2).

DETAILS

5. The Shire of Kalamunda has developed a draft Workforce Plan entitled *Kalamunda Working – Strategic Workforce Plan to 2023*.
6. The Workforce Plan is intended to provide a blueprint for creating a high performing and sustainable workforce to deliver the services our diverse community will require over the next decade.
7. Workforce planning enables the Shire to:
 - Have a strategy for the allocation of resources to allow the Shire to meet its strategic objectives.
 - Prepare for contingencies that prevent the Shire from attaining its strategic objectives.
 - Develop a framework for the orderly growth and progress of the Shire.
 - Provide a transparent basis for business decisions.
 - Be proactive in anticipating future workforce requirements.

 2. Analysis of internal and external environment and workforce.
 3. Identifying the priorities from the Strategic Community Plan.
 4. Developing strategies to meet future workforce needs.
 5. Developing a costing model to monitor the growth and cost of the workforce.
 6. Monitoring and evaluation of outcomes.
8. In order to build a high performing workforce over the next decade, Strategic Priorities, Objectives and Strategies have been developed to lead into the annual action planning, monitoring, reporting and review of the plan.
 - Strategic Priority 1 – Designing a desired workforce
 - Strategic Priority 2 – Acquiring the desired workforce
 - Strategic Priority 3 – Organisational Development
 - Strategic Priority 4 – Creating a learning organisation

Attachment 1	Kalamunda Achieving: Corporate Business Plan 2013 – 2017
Attachment 2	Elements of the Integrated Planning Framework

PURPOSE

1. To adopt the Shire of Kalamunda's four year Corporate Business Plan - *Kalamunda Achieving: Corporate Business Plan 2013 – 2017* (Attachment 1).

BACKGROUND

2. The Department of Local Government's Integrated Planning Framework ("IPF") requires local governments to establish a number of interlinked guiding plans. The outcomes of a successful integrated planning process, as stated by the Department, are:

"A Strategic Community Plan that clearly links the community's aspirations with the Council's vision and long term strategy;

A Corporate Business Plan that integrates resourcing plans and specific council plans with the Strategic Community Plan, and

A clearly stated vision for the future viability of the local government area."

3. Council adopted *Kalamunda Advancing: Strategic Community Plan to 2023* ("the Strategic Plan") in March (OCM 22/2013). As the next element of the integrated planning framework, the Corporate Business Plan is now presented.
4. The elements of the IPF detailing the hierarchical alignment of the Corporate Business Plan are illustrated in (Attachment 2).

DETAILS

5. *Kalamunda Achieving: Corporate Business Plan 2013 -2017* (Attachment 1) ("*Kalamunda Achieving*") sets out the priority actions, services and projects that the Shire will carry out over a four year period, together with the resources that will be required.
6. *Kalamunda Achieving* addresses the requirements of the Integrated Planning Framework. Each priority action, service or project within the Plan is linked to an Objective and Strategy from the adopted Strategic Plan. This ensures the

operations of the Shire are leading towards the achievement of the community's vision for its future.

7. The resourcing of the operational priorities in *Kalamunda Achieving* is linked to the ten-year Long Term Financial Plan. The Financial Plan includes the projected operational costs and funding for the major projects which have been planned for.
8. *Kalamunda Achieving* has been developed by taking into consideration the long term projections of the Workforce Plan (ensuring that sufficient resources will be available to achieve the priority actions) and the major projects and infrastructure requirements of the Asset Management Plan. A number of other informing plans and strategies have also been referred to in developing the priority actions, for example, the Aged Accommodation Strategy and Youth Plan. This integrated planning approach will ensure that the strategic direction of the Shire is translated into achievable and sustainable operations goals.
9. *Kalamunda Achieving* includes measures and targets by which the achievement of each priority action, service or project can be measured. The Quarterly Progress Report will enable Council to monitor the progress of the Corporate Business Plan actions on a regular basis. The Annual Report will also provide Council and the community with information on the achievement of these priorities.
10. The Shire's business planning and reporting tool, Interplan, will be used to ensure that there is accountability for the achievement of the priority actions, and that progress can be monitored and reported at any time.
11. The activities set out in *Kalamunda Achieving* are to be reviewed and re-prioritised on an annual basis. The review will be carried out in conjunction with the preparation of the annual budget. An additional year of actions will be added each year, and the current year's actions recorded as completed and archived. This will ensure that the focus of the Shire's operations is able to change in response to its community's needs or the availability of resources.

STATUTORY AND LEGAL IMPLICATIONS

12. All local governments are required to produce a Plan for the Future under s5.56 (1) of the *Local Government Act 1995*. It is intended regulations will be made under s5.56(2) of the Act to outline the minimum requirements to achieve this.

POLICY IMPLICATIONS

13. Nil.

PUBLIC CONSULTATION/COMMUNICATION

14. Public consultation was undertaken to formulate the various strategies which inform this Plan (for example, the Strategic Community Plan). No specific public consultation was carried out in relation to *Kalamunda Achieving*.

FINANCIAL IMPLICATIONS

15. The Shire is currently developing a Long Term Financial Plan. This is a ten year rolling plan which will link in with the Corporate Business Plan and Strategic Community Plan priorities. It indicates the Shire's long term financial sustainability and allows early identification of financial issues and their longer term impacts.

STRATEGIC AND SUSTAINABILITY IMPLICATIONS

Strategic Planning Implications

16. All actions, services and projects within *Kalamunda Achieving* are linked to the adopted Strategic Plan. This ensures that all projects and tasks that are carried out are done so with the strategic direction of Council as a focus.

12.0 QUESTIONS BY MEMBERS OF WHICH DUE NOTICE HAS BEEN GIVEN

12.1 Question C&C Meeting 13 May 2013; Answer supplied to Councillors prior to The Ordinary Council Meeting.

Q. Can you please explain how the Chaplaincy Service funding is allocated to the participating schools?"

A. In the absence of any formal agreement in relation to the Chaplaincy funding provided by the Shire over the last 19 years, the YouthCARE Council (which is separate from the schools) currently make decisions based on their awareness of need / priorities in the area (ie at their own discretion).

As a consequence, officers are proposing the development of a three year formal agreement between the Shire of Kalamunda and YouthCARE to ensure clarity regarding expectations, service delivery, outcomes and reporting requirements exists. This agreement would provide the Shire with an opportunity influence the manner in which funds are allocated.
