3. The Shire's role in the provision of the funding is to call for applications and assess them in priority order, and rate each application received (Attachment 1).
4. The maximum grant approved will be no greater than one third of the total estimated project cost.
5. There is no obligation on a local government authority to make any contribution to a project.
6. All applications for this Forward Planning Grants round are to be received by the DSR by 30 September 2013 for assessment.
7. Successful applicants will be advised in February 2014, with funds to be available in the 2014/2015 financial year.

DETAILS

8. The Shire of Kalamunda has one internal application for the DSR's CSRFF 2013/2014 Forward Planning Grants round.

Kostera Oval Redevelopment

9. The Shire of Kalamunda will be submitting an application for the implementation of the Kostera Oval redevelopment project.
10. Kostera Oval Reserve is vested with the Shire of Kalamunda. The main sporting oval extends beyond the southern boundary of the reserve by approximately one third onto land controlled by the Department of Education and Training ("DET"). A Licence Agreement exists between the Shire and DET for the Kalamunda Senior High School to use Kostera Oval in return for use of their land.
11. In 2007, the Shire engaged McDowell Affleck to investigate the feasibility of expanding the grass playing surface of Kostera Oval Reserve and the development of appropriate infrastructure to complement any proposed oval works.
12. In December 2007, Council received the Kostera Oval Feasibility Study and resolved (OCM 132/07):
 1. *That Council receives the Kostera Oval Reserve Redevelopment Feasibility Study prepared by McDowall Affleck Pty Ltd.*
 2. *That subject to future budget considerations, further investigation be undertaken to complete detailed designs and cost of works for the upgrade of the area adjacent to the War memorial and Agricultural Hall.*
13. The Shire has received a \$1 million commitment from the State Government towards the implementation of the redevelopment program.
14. The aim of the redevelopment will be to increase the amount of available playing field space, upgrade facilities and supporting infrastructure (Attachment 2).
15. The redevelopment will occur in two stages. Stage 1 will include the re-leveling of the site, new lighting, drainage and cricket nets. Stage 2 will include the development of new clubroom facilities and upgrades to the War Memorial site and parking area at the rear of the Agricultural Hall.
16. The proposed cost contribution is as follows:

Organisation	Contributions ex GST
State Government commitment	\$1,000,000
CSRFF	\$810,828
Shire of Kalamunda	\$3,621,656
Total Project Cost	\$5,432,484

COMMUNITY ENGAGEMENT REQUIREMENTS

19. As part of the Kostera Oval Feasibility Study process undertaken in 2007, a significant amount of consultation was undertaken with potential community user groups, Kalamunda Senior High School and the broader community which identified the need to develop the Kostera Oval site.
20. The Shire has recently reengaged with the key stakeholders to confirm the proposed redevelopment design. This process was formalised at a Kostera Oval Advisory Committee meeting held on 20 August 2013, whereby the Committee resolved to endorse the draft design.
21. Should the CSRFF funding be successful with the DSR, the Shire would continue to keep the stakeholders informed throughout the process.
22. The Shire has discussed the proposed project with DSR Staff, who have advised the total amount which the Shire may apply for from the State Government is one third of the total project cost. This portion would include funding of \$1 million commitment already provided and the additional \$810,828 from CSRFF grant funds.

FINANCIAL CONSIDERATION

23. Within Council's Ten Year Financial Plan, funding of \$1.5 million per year over the course of four financial years has been included, commencing in 2014/2015.
24. A commitment of \$1 million has already been allocated by from the State Government towards the project and will be received by the Shire in 2014/2015.
25. The Shire and club representatives have sought assistance from Federal Politicians in an attempt to obtain Federal funding towards the project.
26. This upcoming CSRFF Forward Planning Grants round, represents a further opportunity for Council to leverage Shire funds, by increasing the existing external funding commitment to one third of the total project cost.

OFFICER COMMENT

32. The DSR requires all applications to be assessed by each local government authority and be provided with a ranking according to the local government's assessment.

33. The redevelopment of Kostera Oval has been ranked as the first and only priority, as there is an increasing need for additional public active open space in the Kalamunda area, due to existing open space within the area already being operated at capacity.

34. In particular, the Community Facilities Plan identified a short fall in public open space within the Kalamunda area and further supported the outcomes of the Kostera Oval Feasibility Study recommending the development of Kostera Oval to a district level sporting ground.

35. Should Kostera Oval not be redeveloped, there are limited opportunities for development of public open space elsewhere.

Mr Paul Curtis spoke in favour of the Recommendation. He commented that this improvement has been required for a long time.

A Councillor asked Mr Curtis if the Cougars (The Senior Kalamunda Football Club) would become home based at the Kostera Oval after the improvements. Mr Curtis responded that he recognised a senior size football oval would be part of the upgrade, however if the Cougars played there regularly with the current growth in the clubs already experienced, the oval may struggle.

Previous Items	N/A
Responsible Officer	Director Corporate & Community Services
Service Area	Community Development
File Reference	CN-01/048
Applicant	N/A
Owner	N/A

PURPOSE

1. To seek Council support for the discontinuance of the Kalamunda Community Theatre and Performing Arts Centre Management Committee (“the Committee”).

BACKGROUND

2. The Kalamunda Senior High School, as a representative of the Minister for Education recently approached the Shire to request a review and renewal of the Agreement relative to the management of the Kalamunda Performing Arts Centre.
3. The Kalamunda Performing Arts Centre Agreement (“the Agreement”) between the Minister for Education and Shire of Kalamunda was initiated in 1995 and will expire in October 2015.
4. The provisions of the Agreement require the Committee to meet at least twice per year.

DETAILS

5. As part of the initial review of the Agreement, both parties have agreed the Committee is surplus to needs.
6. Historically, the Committee was established to maximise use of the Kalamunda Performing Arts Centre by the school and community given the absence of staff presence, ensuring the interests of both the Shire and Minister for Education were protected.
7. The Committee had a role in ensuring the Kalamunda Performing Arts Centre was being utilised and operating effectively.
8. The Committee comprises two Councillors, two Minister for Education Representatives and two community representatives.
9. Over the past five years, the Kalamunda Performing Arts Centre has evolved from being a “hall for hire” type of facility to a more legitimate Performing Arts Centre with a full time staff presence (Administrator) to arrange shows and address community group booking requests.

-
10. Community groups and performers utilising the Kalamunda Performing Arts Centre therefore readily have access to the Administrator to meet their requirements and to raise any operational issues.

STATUTORY AND LEGAL CONSIDERATIONS

11. In accordance with the terms of the Management Agreement the Committee was established under the provisions of the *Local Government Act 1995*.

POLICY CONSIDERATIONS

12. Nil.

PUBLIC CONSULTATION/COMMUNICATION

13. Community and Minister for Education representatives of the current Committee have been consulted and agree there is no longer a need to maintain a Committee, effective immediately.
14. Minister for Education representatives have agreed that the Agreement (as stated in Cause 2.3) maintains the reference for the Shire of Kalamunda and Minister for Education representatives to meet every twelve months.

FINANCIAL CONSIDERATION

20.

Risk	Likelihood	Consequence	Action/Strategy
That the Agreement will not be monitored and reviewed.	Low	Medium	The Agreement requirement for representatives of the Minister for Education and Shire of Kalamunda to meet at least once per year will be maintained.

OFFICER COMMENT

21. The Kalamunda Senior High School on, behalf of the Minister for Education, has approached the Shire to review and renew the current Agreement removing the Committee requirement which is quite timely, given pending local government elections.
22. The management function of the Kalamunda Performing Arts Centre has evolved from a "hall for hire" to having a physical staff presence, providing capacity to coordinate art and cultural activities for the community and enhance customer service for user groups.
23. Over the past three years there has been significant improvement in terms of the quality and number of shows; attendance levels; audience appreciation; benefits to the community; and overall financial accountability.
24. The Agreement currently states the requirement for both parties to meet on an annual basis which will be maintained within the new agreement.
25. The presence of an Administrator at the Kalamunda Performing Arts Centre in contrast to other Shire facility-based Committees suggests maintaining the Committee is surplus to needs.
26. Further to this, over the past two years, three of the four scheduled Committee meetings could not take place due to a lack of quorum.

A Councillor believed that in the past there have been issues with regard to the allocation of time between the Shire and the School. He queried how this would be resolved under the new management structure.

Manager Community Development confirmed that there had been issues in the past regarding use of the auditorium.

The Agreement provides the school with 17 days free use of the auditorium, in the new Agreement it is proposed that the school would give a greater level of prior warning for this time; this will involve more meetings with the school in order that the Shire's Administrator can appropriately plan ahead for activities in the auditorium.

A Councillor asked who funded the position of Administrator and the Manager Community Development confirmed that the Shire of Kalamunda pay the total salary costs for this position which has been in place for approximately five years.

10.0 MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

11.0 QUESTIONS BY MEMBERS WITHOUT NOTICE

11.1 Minor Improvements to Berle Way and Range View Road Intersection – Cr Dylan O'Connor

Q. Could I have an update on the Berle Way and Range View Road intersections which I flagged with the Chief Executive Officer a few weeks ago?

A. This question was taken on notice to follow up with the Engineering Department.

11.2 Update on the Amalgamation with Belmont – Cr Dylan O'Connor

Q. Could the Chief Executive Officer please provide an update on the discussions with the City of Belmont regarding amalgamation?

A. At this point in time it is not possible to proceed with a joint submission with the City of Belmont as they were only happy to proceed if the Shire of Kalamunda was prepared to agree to equal representation for the new entity when it is formed. This Council had agreed it would not accede on this point.

The Shire of Kalamunda has therefore commenced its own individual submission and last week submitted a request for a funding grant for \$200,000 on the basis of the Shire making a conforming submission. I understand today that Belmont have also sought a funding grant for \$200,000 indicating that they will be submitting a conforming proposal. The Department of Local Government and Communities are therefore in a quandary with regard to how they will distribute these funds as the \$200,000 is for both local governments. The Shire of Kalamunda has indicated to them that we are still prepared to submit a joint submission, providing the equal representation issue is not part of it.

The Department of Local Government and Communities are going to negotiate with the City of Belmont to see if they will set aside the issue of representation; we can then go forward with a joint submission which deals with the boundaries, which was always the intent for this stage of the process. Representation of Elected Members and Wards is something to be dealt with in the next stage in consultation with the Local Government Advisory Board.

The Chief Executive Officer will advise Council later in the week if it is going to be possible to submit a joint proposal; if not, individual submission details will be presented to Council.

11.3 Vote Value Difference City of Belmont / Shire of Kalamunda – Cr Sue Bilich

Q. Could the Chief Executive Officer confirm the difference in value of a vote between Belmont and Kalamunda?

A. The ratio is 1:1.78, the City of Belmont has 21,500 registered eligible voters and the Shire of Kalamunda has 38,500 registered eligible voters.

11.4 Period the New Agreement Would Be in Place after Amalgamation – Cr Sue Bilich

Q.

Please could the Chief Executive Officer confirm what length of time this new agreement would need to be in place?

A.

In other local governments mergers this was maintained for two terms which is eight years.

11.5 Amalgamation of Town and Shire of Northam – Cr John Giardina

Q.

Could the Chief Executive Officer confirm how the amalgamation of the Town of Northam with the Shire of Northam (creating a new Shire of Northam) occurred?

A.

The Chief Executive Officer replied that this had occurred through negotiation. The Shire of Northam and the Town of Northam agreed and a joint proposal was put to, and then approved by, the Minister of Local Government.
