Ordinary Council Meeting

Agenda for 22 April 2013

NOTICE OF MEETING ORDINARY COUNCIL MEETING

Dear Councillors

Notice is hereby given that the next meeting of the Ordinary Council Meeting will be held in the Council Chambers, Administration Centre, 2 Railway Road, Kalamunda on **Monday 22 April 2013 at 6.30pm**.

Clayton Higham

Acting Chief Executive Officer
18 April 2013

Our Vision and Our Values ¶

Our Vision¶

 $The ``Shire' will ``have `a' diversity `of `lifestyle `and `people. ``It `will `take `pride `in `caring `for `the `natural, `social, `cultural `and `built `environments `and `provide `opportunities `for `people `of `all `ages. \P$

Our Core Values

Service: -- We deliver excellent service by actively engaging and listening to each other.

 $\textbf{Respect}\text{--:} We \text{-}trust\text{-}and\text{-}respect\text{-}each\text{-}other\text{-}by\text{-}valuing\text{-}our\text{-}difference,\text{-}communicating\text{-}openly\text{-}and\text{-}showing\text{-}integrity\text{-}in\text{-}all\text{-}we\text{-}do.} \P$

Diversity:—'We'challenge'ourselves'by'keeping'our'minds'open'and'looking'for'all'possibilities'and'opportunities.¶

Ethics:-:We·provide·honest,·open,·equitable·and·responsive·leadership·by·demonstrating·high·standards·of·ethical·behavior.¶

Our Aspirational Values

 $\label{lem:prosperity-weight-ensure} \textbf{Prosperity--} We `will `ensure `our `Shire `has `a `robust `economy `through `a `mixture `of `industrial `and `commercial `development. \P$

Harmony:--:We:will:retain:our:natural:assets:in:balance:with:our:built:environment.¶

Courage:—'We'take'risks'that' are 'calculated' to 'lead' us' to a 'bold' new'future. ¶ **Creativity:**—'We'create' and 'innovate' to 'improve 'all' we'do. ¶

INFORMATION FOR THE PUBLIC ATTENDING COUNCIL MEETINGS

Welcome to this evening's meeting. The following information is provided on the meeting and matters which may affect members of the public.

If you have any queries related to procedural matters, please contact a member of staff.

Council Chambers - Seating Layout

Ordinary Council Meetings – Procedures

- 1. Council Meetings are open to the public, except for Confidential Items listed on the Agenda.
- 2. Members of the public who are unfamiliar with meeting proceedings are invited to seek advice prior to the meeting from a Shire Staff Member.
- 3. Members of the public are able to ask questions at an Ordinary Council Meeting during Public Question Time.
- 4. To facilitate the smooth running of the meeting, silence is to be observed in the public gallery at all times except for Public Question Time.
- 5. All other arrangements are in general accordance with Council's Standing Orders, the Policies and decision of the Shire or Council.

Emergency Procedures

Please view the position of the Exits, Fire Extinguishers and Outdoor Assembly Area as displayed on the wall of Council Chambers.

In case of an emergency follow the instructions given by Council Personnel.

We ask that you do not move your vehicle as this could potentially block access for emergency services vehicles.

Please remain at the assembly point until advised it is safe to leave.

AGENDA

1.0 OFFICIAL OPENING

2.0 ATTENDANCE, APOLOGIES AND LEAVE OF ABSENCE PREVIOUSLY APPROVED

3.0 PUBLIC QUESTION TIME

A period of not less than 15 minutes is provided to allow questions from the gallery on matters relating to the functions of Council. For the purposes of Minuting, these questions and answers are summarised.

Questions from Public Question Time 25 March 2013

- 3.1 Barry Bennett Bus Parked in Goodall Street, Lesmurdie
- Q. Has any action been taken with regard to the bus parked on Goodall Road, Lesmurdie and if so why has the Shire not informed me?
- A. Director Development & Infrastructure Services responded that a Planning Infringement had been issued to the land owner and that will be followed up fairly shortly with a Planning Infringement Order to the owner of the bus. It is not normal practice to let neighbours know of the particulars of any action taken by the Shire.
- 3.2 <u>Peter Ethell Footpath, Verge Obstruction, Bus Shelters</u>
- Q1. When will Goodall Street have a footpath? This street has existing for more than 40 years; it is in Lesmurdie opposite the primary school.
- A1. This footpath provides access to a number of Public Access Ways. A recommendation will be put forward that this section of footpath be included in the 2013/14 budget to complete the network in the area. This project will be subject to budget deliberations.
- Q2. Why have rocks and posts been placed around a number of streets in Lesmurdie, particularly on the boundary of the Ray Owen centre where there are double white lines, preventing safe off the road parking?
- A2. Residents in the area surrounding Ray Owen requested the Shire look at the streets whereby hoons were performing burnouts and other anti-social activities in the area. It was determined that rocks and bollards would be placed as a suitable measure in some locations. At the time, it was considered that the impact on parking was minimal as there is adequate parking on site and surrounding streets. This still holds true today, as the hooning behaviour continues in the Lesmurdie area.
- Q3. There are two Bus Shelters on Lesmurdie Road with steps, they appear inaccessible to some and dangerous, why have they been built in this

manner?

- A3. These bus stops were built by the Shire several years ago. Due to the geography of the sites, these designs were the preferred options, based on a number of factors, including cost. Unfortunately due to the new Disability Discrimination Act, these stops are now non-compliant and will need to be redesigned and replaced at the appropriate time, subject to funding.
- Q4. In Wattle Grove near the Gull Petrol Station there is a large Pylon Sign in the road reserve, this is an "accident waiting to happen", why hasn't the Shire requested it be removed?
- A4. Welshpool Road East is identified as a Primary Regional Road under the Metropolitan Region Scheme and therefore the section of road where the pylon sign is located comes under the care and control of Main Roads WA. The Shire therefore is not the determining authority for development applications within the road reserve. The Shire did object to the location of the sign, however Main Roads granted approval to the service station to locate the pylon sign within the road reserve on 11 March 1996 subject to the sign being relocated if Main Roads required he land for road widening and/or general works.
- 4.0 PETITIONS/DEPUTATIONS
- 5.0 APPLICATIONS FOR LEAVE OF ABSENCE
- 6.0 CONFIRMATION OF MINUTES OF PREVIOUS MEETING
- That the Minutes of the Ordinary Council Meeting held on 18 March 2013 are confirmed as a true and accurate record of the proceedings.

Moved:

Seconded:

Vote:

Statement by Presiding Member

"On the basis of the above Motion, I now sign the Minutes as a true and accurate record of the meeting of 18 March 2013".

- 7.0 ANNOUNCEMENTS BY THE PERSON PRESIDING WITHOUT DISCUSSION
- 8.0 MATTERS FOR WHICH MEETING MAY BE CLOSED
- 8.1 C&C26 Expression of Interest EOI 1301 Lots 7, 8, 4255 Lewis Road Wattle Grove (Attachment 1) Provided under separate cover.

 Reason for Confidentiality: Local Government Act 1995 S5.23 (2)(c) "a contract entered into, or which may be entered into, by the local government which relates to a matter to be discussed at the meeting."

9.0 DISCLOSURE OF INTERESTS

9.1 **Disclosure of Financial and Proximity Interests**

- a. Members must disclose the nature of their interest in matters to be discussed at the meeting. (Sections 5.60B and 5.65 of the *Local Government Act 1995.*)
- b. Employees must disclose the nature of their interest in reports or advice when giving the report or advice to the meeting. (Sections 5.70 and 5.71 of the *Local Government Act 1995*.)

9.2 Disclosure of Interest Affecting Impartiality

a. Members and staff must disclose their interest in matters to be discussed at the meeting in respect of which the member or employee had given or will give advice.

10.0 REPORTS TO COUNCIL

Please Note: declaration of financial/conflict of interests to be recorded prior to dealing with each item.

Declaration of financial / conflict of interests to be recorded prior to dealing with each item.

10.1 Development & Infrastructure Services Committee Report

10.1.1 Adoption of Development & Infrastructure Services Committee Report

Voting Requirements: Simple Majority

That the recommendations contained in the Development & Infrastructure Services Committee Report of 8 April 2013 be adopted.

Moved:

Seconded:

Vote:

10.1.2 D&I 20 Detailed Area Plan – Lot 24 (48) and 163 (40) Hardey East Road, Wattle Grove

COMMITTEE RECOMMENDATION TO COUNCIL (D&I 20/2013)

That Council:

- 1. Accepts the State Administrative Tribunal's request and sets aside its previous refusal decision.
- 2. Adopts the amended Detailed Area Plan (Attachment 2) for Lot 24 (48) Hardey East Road, Wattle Grove, and forwards it to the WA Planning Commission for its information.

10.1.3 D&I 21 Modification to the Canning Location 311 Structure Plan – Lot 2 (9) Carob Tree Place, Lesmurdie

COMMITTEE RECOMMENDATION TO COUNCIL (D&I 21/2013)

That Council:

- Adopts the proposed modification to the Canning Location 311 Structure Plan to facilitate the subdivision of Lot 2 (9) Carob Tree Place, Lesmurdie, into two lots subject to an amended plan being provided that shows the building envelope being setback at least 1.5m from the internal dividing boundary.
- On receipt of the amended Structure Plan, the modified Canning Location 311 Structure Plan be forwarded to the WA Planning Commission for endorsement.

10.1.4 D&I 22 Ancillary Accommodation – Lot 26 (237) Stanhope Road, Walliston

COMMITTEE RECOMMENDATION TO COUNCIL (D&I 22/2013)

That Council:

- 1. Accepts the State Administrative Tribunal's request and sets aside its previous refusal decision.
- 2. Approves the application dated 3 December 2012 to build an ancillary accommodation at Lot 26 (237) Stanhope Road, Walliston, subject to the following conditions:
 - a) The Ancillary Accommodation shall only be occupied by members of family of the occupiers of the main dwelling.
 - b) A notification, under Section 70A of the *Transfer of Land Act 1893*, shall be placed on the Certificate of Title prior to the issue of a building permit which advises the following:

"Purchasers of the above described land are notified that the use of the land is subject to a requirement that the Ancillary Accommodation shall only be occupied by members of family of the occupiers of the main dwelling."

c) A suitable wastewater disposal Alternative Treatment Unit that complies with the *Health (Treatment of Sewage and Disposal of Effluent and Liquid Waste) Regulation 1974* being installed.

10.1.5 D&I 23 Draft Local Housing Strategy

COMMITTEE RECOMMENDATION TO COUNCIL (D&I 23/2013)

That Council:

- 1. Endorses the Draft Local Housing Strategy for the purpose of advertising for a period of 60 days.
- 2. Endorse the proposed Community Consultation Strategy involving the following:
 - a. Three "open day" public information sessions to be held at Kalamunda, Forrestfield and High Wycombe.
 - Information/display panels to be located at each of the Shire libraries, and at the Kalamunda, Forrestfield and High Wycombe shopping centres for the length of the advertising period.
 - c. The draft strategy report and precinct plans to be available for viewing on the Shire's website and at the Shire's administration office.

10.2 Corporate & Community Services Committee Report

10.2.1 Adoption of Corporate & Community Services Committee Report

Voting Requirements: Simple Majority

That the recommendations contained in the Corporate & Community Services Committee Report of 15 April 2013, except withdrawn items C&C 23 & C&C26, be adopted.

Moved:

Seconded:

Vote:

10.2.2 C&C 20 Debtors and Creditors Reports and Accounts Paid March 2013

COMMITTEE RECOMMENDATION TO COUNCIL (C&C 20/2013)

That Council:

- 1. Receives the outstanding debtors (Attachment 1) and creditors (Attachment 2) reports for the period ended 31 March 2013.
- 2. Receives the list of creditors paid during the period 7 March to 27 March 2013 (Attachment 3) in accordance with the requirements of the *Local Government (Financial Management) Regulations* 1996 (Regulation 12).

10.2.3 C&C 21 Rates Debtors Report for the Period Ended 31 March 2013 COMMITTEE RECOMMENDATION TO COUNCIL (C&C 21/2013)

That Council:

1. Receives the rates debtors report for the period ended 31 March 2013 (Attachment 1).

10.2.4 C&C 22 Veteran Car Club of WA (Inc) – 21 Year Lease Term COMMITTEE RECOMMENDATION TO COUNCIL (C&C 22/2013)

That Council:

1. Authorises a Lease term of twenty one years for the Veteran Car Club of WA (Inc) over 265 Hale Road, Wattle Grove.

10.2.5 C&C 24 Adoption of Governance and Policy Framework COMMITTEE RECOMMENDATION TO COUNCIL (C&C 24/2013)

That Council:

 Defer the consideration of the Shire of Kalamunda Governance and Policy Framework (Attachment 1) to the next Corporate & Community Services Committee meeting May 2013.

10.2.6 C&C 25 Scott Reserve Lease

COMMITTEE RECOMMENDATION TO COUNCIL (C&C 25/2013)

That Council:

1. Pursuant to Clause 16.2 of the Scott Reserve Management Agreement, dissolve the Management Agreement effective 30 June 2013.

For separate consideration

This item has been withdrawn as it requires an Absolute Majority

10.2.7 C&C 26 Expression of Interest – EOI 1301 – Lots 7, 8, 4255 Lewis Road Wattle Grove

Voting Requirements: Absolute Majority

COMMITTEE RECOMMENDATION TO COUNCIL (C&C 26/2013)

That Council:

- Abandons the Expression of Interest Process and advises all applicants that the Shire is not proceeding with the Expressions of Interest.
- 2. Authorises the Chief Executive Officer to appoint an agent to market the properties for sale.
- 3. Pursuant to sections 5.42 (1) and 5.43 (d) of the *Local Government Act 1995* ("The Act") delegates Authority to the Chief Executive Officer to finalise sale of the properties in accordance with Section 3.58 of the Act, at not less than 90% of the valuation provided by LWP Hegney, whether sold individually or as a parcel of three.

Moved:

Seconded:

Vote:

This item has been withdrawn as a Councillor is considering an alternative Motion.

10.2.8 C&C 23 Commemorative Tree Planting

Voting Requirements: Simple Majority

COMMITTEE RECOMMENDATION TO COUNCIL (C&C 23/2012)

That Council:

1. Approves a revised Commemorative Tree Program that provides for a mature tree with multiple naming rights to the plaque to take affect 01 July 2013.

Moved:

Seconded:

Vote:

10.3 CHIEF EXECUTIVE OFFICER REPORTS

Declaration of financial / conflict of interests to be recorded prior to dealing with each item.

10.3.1 Monthly Financial Statements March 2013

Previous Items N/A

Responsible Officer Director Corporate & Community Services

Service Area Finance File Reference FIR-SRR-006

Applicant N/A Owner N/A

Attachment 1 Draft Statements of Financial Activity for the nine

months to 31 March 2013 incorporating the following:

- Statement of Comprehensive Income by Program
- Statement of Comprehensive Income by Nature and Type
- Rate Setting Statement including net current funding position
- Statement of Financial Position
- Statement of Equity
- Schedule of Reserve Accounts Balances
- Investment Schedule

PURPOSE

1. To provide Council with financial reports on the activity of the Shire of Kalamunda with indications of performance against adopted budget.

BACKGROUND

- 2. The Statement of Financial Activity (Attachment 1), incorporating various sub-statements, has been prepared in accordance with the requirement of the *Local Government Act (1995)*, *Local Government (Financial Management)* Regulations 1996 (Regulation 34).
- Each quarter, the Shire will provide a quarterly detailed financial report that will incorporate additional information such as:
 - Comparative graphical results on liquidity and collections
 - Status on various grants and contributions
 - Detailed Capital disposals and acquisitions
 - Trust Fund status.

DETAILS

- 4. The *Local Government Act (1995)* requires Council to adopt a percentage or value to be used in reporting variances against Budget. Council has adopted the reportable variances of 5% or \$5,000 whichever is greater.
- 5. The adopted percentage on value is applied at Program level and where applicable for the commentary and detail is provided.

Financial Commentary

<u>Statement of Comprehensive Income by Nature and Type for the Nine Months to 31 March 2013</u>

6. This Statement reveals a net result of a surplus of \$7,714,880 against revised budget for the same period of \$6,177,654.

Revenue

- 7. Total Revenue is under budget by \$285,071. This is made up as follows:
 - Rates are under budget by \$83,148. A significant reason for the
 variance is as a result of not yet receiving the Ex-gratia rates for the
 Dampier Bunbury gas pipeline. This payment is normally received in
 March, but has been delayed as the Shire is waiting on a valuation
 coming from Landgate.
 - Operating Grants and Subsidies and Contributions, Reimbursements and Donations are under budget by \$42,710. This is principally due to amounts received on reimbursements for insurance claims and parks and reserves, both difficult to predict from a timing perspective.
 - Fees and Charges variance is under budget with a variance of \$200,008 coming from:
 - Fees due from the operator of the Kalamunda Water Park of \$60,489 due to change in reporting results to the Shire which is deemed a timing difference;
 - Fees from hire of various reserves amounting to \$19,379 which could be due to change in use with the new sporting codes taking over the use the reserves for which billing is done later in the year;
 - Building services are operating slightly below expectations with \$22,058 under budget;
 - Hartfield Recreation Centre results are under by \$21,398 mainly in the Gym and Sale of Goods income streams; and
 - Community Hall reimbursement income is down by \$42,635 mainly due to timing differences and will catch up when the billings are done for the quarter.
 - Interest earnings are under budget by \$45,293. The cash rate remains at an ultra-low rate of 3% which is impacting on the Shire's potential to obtain good investment rates on surplus funds. Deposit rates are now averaging between 4% 4.30%. The outlook does not look promising as economic conditions remain stagnant.
- 8. Other revenue is slightly over budget by \$668 which is within the budget variance threshold of \$5,000. Most "other revenues" comprise of various fines and penalties which are difficult to predict.

Expenditure

- 9. Total expenses are under revised budget with a variance of \$1,301,465. The significant variances within the individual categories are as follows:
 - "Employment Costs" are well under budget by \$436,132 due to some vacant positions in various business units.
 - "Materials and Contracts" is under budget by \$653,478 largely due to:
 - Project related expenditure for example, HACC Services are down by \$267,789 as client service demand is lower than envisaged.
 - Election expenses related to the vacant seat in the North Ward and the community poll currently under way. This is a timing issue which will be resolved when West Australian Electoral Commission bill the Shire for its services.
 - Delays on various maintenance jobs across infrastructure and buildings.
 - IT Equipment Hire is also under by \$81,872 which is a timing issue.
 - Utilities were slightly under by \$13,861 which is a consequence of late billing from Synergy and therefore primarily a timing difference.
 - Insurance expense is under by \$25,886. The budget will be utilised by the need to increase the building and contents cover for the Shire buildings. The values have not been updated since the last valuation conducted in 2008.
 - Other expenditure is higher than budget by \$68,832 coming from project related costs and are due to timing differences.
- 10. The interest expense is lower than budget by \$98,583 which is due to timing difference between accounting treatment of interest accrued on a time elapsed basis and the budget which is based on actual payment basis in accordance with the debenture schedule.
- Depreciation, although a non-cash cost, is tracking slightly under budget, reporting a small variance of \$27,415 or 0.3% of the total depreciation budget. The category most affected is Building depreciation.

Non-Operating Grants

12. Non-Operating Grants are over budget by \$321,456. This component is made up of various infrastructure projects which are underway. In addition, direct grants which are due from the federal government were also received in advance. It should be noted that with the Abernethy Road project is proposed to be cancelled, grant monies un-spent will need to be returned. The amount of refund is estimated at \$273,000.

Profit on Asset Disposals

13. There were no additional properties disposed of in the month of March the variance of \$215,698 is principally a timing issue. Expressions of Interest are currently being called for the three lots on Lewis Road with Council deliberations due nearer to April 2013.

Statement of Comprehensive Income by Program for the Nine Months to 31 March 2013

14. The overall result comments are as above and generally each Program is within accepted budget except for Recreation and Culture and Transport. These are principally due to timing differences.

Rate Setting Statement for the Nine Months to 31 March 2013

- 15. This Statement compares the actual to date with the Revised Budget.
- 16. The results to 31 March 2013 reveal a surplus of \$9,766,810. This was mainly made up of:
 - Overall income excluding rates is under budget by \$13,775 with the bulk of the variance coming from fees and charges and profit on sale of land assets as explained above.
 - Expenditure is \$1,285,143 lower with the main variance in employment costs and materials and contracts. These have been commented on in point 8 of this report.
 - Rates generation is under budget and the variance of \$83,148 is a timing difference related to receipt of ex-gratia rates as explained above in point 6.
 - There was deferred capital works of approximately \$4,127,364. Principal areas of variance is the purchase of land held for re-sale which is related to the Edney Road/Cygnet Court development and buildings additions as the completion of the Amenities building at the Operations Centre is finalised and other projects related to Parks and Ovals and Car parks. These projects will need to be reviewed closely and a project deferred will only be carried forward into 2013/2014 if they have grant funding attached to it. Projects that are entirely Shire funded will be re-budgeted in the following year if Council approves.
- 17. The current balance of \$9,766,810 is above budget set at \$7,079,602 due to project based activities reflected above still in progress. This will be balanced by 30 June 2013.

Investments as at 31 March 2013

18. A total of \$26 million is in term deposits or online saving accounts and includes the overdraft facility of which there is currently a nil balance. This represents a net decrease of \$1.82 million in cash deposits which can be related to reducing rates collection and significant increase in payment of creditors in the month of March.

The above is made of:

- Municipal Funds \$10,083,029
- Reserve Funds \$4,853,826
- Trust Monies \$11,244,016 (includes amounts for Public Open Space of \$2,247,853)

- 19. Average interest rates on term deposits have dropped as indicated previously by a cumulative 100 basis points with investment rates dropping to 4% from 4.3%. Reserve Bank of Australia (RBA) has not changed its cash rate from 3.00%. The cash rate is unlikely to fluctuate much in the coming months as the RBA is on a holding cycle with a watch and see mode being adopted.
- 20. All deposits complied with the Investment Policy requirements and are no longer than 120 days.

Statement of Financial Position as at 31 March 2013

- 21. Net Current Assets (Current Assets less Current Liabilities) are in positive territory by \$17.79 million mainly due to the rates generation which includes billings for Rates, Bin Services and Pool Inspection fees. The cash position has reduced slightly but is still showing a healthy balance of \$14.55 million. It is projected that this balance will now start falling as the rate of payments to creditors will outstrip outstanding collections.
- Trade and other receivables comprise of rates and sundry debtors totalling \$2.95 million outstanding.
 - The rates balance has reduced by a significant amount from \$4.52 million to \$2.05 million due to the final instalment due in March. This represents a collection rate of 93.74% to date. Although this is lower than previous year, it is noted that the previous year's rates were issued earlier. Debt collection strategies will be rigorously enforced to assist in collections.
- 23. Sundry debtors have reduced by \$36,716 to \$186,335 outstanding. Of the outstanding balance \$75,939 represents current debtors.
 - The main overdue debtors are:
 - Lesmurdie Tennis Club \$28,218.60 contribution to the extension of the Club rooms. Negotiations are currently underway with the Club regarding these issues.
 - Forrestfield United Soccer Club \$21,677.51- Loan instalments, reserve hire and operational expenses. Fortnightly direct debit of \$1,200 in place. Club paid an additional \$2,552.37 against current invoices. The Club has advised the Shire it will clear the entire outstanding amount by the end of 2013.
 - Bronzewing Investments \$11,416 purchase of plants monthly instalments negotiated. Final payment due 2 April 2013.
- 24. Fixed Assets have reduced by \$2,836,538 after depreciation due to the delay in works with the budget not having being approved till August. It should also be noted that there are \$4.1 million worth of capital works in the pipeline which will compensate for this shortfall.
- 25. Provisions for annual and long service leave currently stand at \$2 million representing a slight increase of \$78,000 from February 2013. The long term goal is to bring this liability down to a more manageable level than what it is currently.

- 26. Long term borrowings are at \$7.62 million with the inclusion of two new loans last year:
 - Kalamunda Water Park at \$3 million made up of two loans of \$1.85 million and \$1.15 million.

STATUTORY AND LEGAL IMPLICATIONS

The Local Government Act 1995 and the Local Government (Financial Management) Regulations require that we present a monthly financial activity statement.

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this statement of financial activity are:

(a) Basis of Accounting

This statement is a special purpose financial report, prepared in accordance with applicable Australian Australian Accounting Standards, other mandatory professional reporting requirements and the *Local Government Act 1995* (as amended) and accompanying regulations (as amended).

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in this statement.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 7.

(c) Rounding Off Figures

All figures shown in this statement are rounded to the nearest dollar.

(d) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(e) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables are stated inclusive of applicable GST.

(f) Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand and shortterm deposits that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Cash Flow Statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts. Bank overdrafts are included as short-term borrowings in current liabilities.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Trade and Other Receivables

Trade receivables, which generally have 30 - 90 day terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less any allowance for uncollectible amounts.

Collectability of trade receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(h) Inventories

General

Inventories are valued at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs of necessary to make the sale.

Inventories held from trading are classified as current even if not expected to be realised in the next 12 months.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of the cost and net realisable value.

Cost includes the cost of acquisition, development and interest incurred on the financing of that land during its development. Interest and holding charges incurred after development is complete are recognised as expenses.

Revenue arising from the sale of property is recognised in the operating statement as at the time of signing a binding contract of sale.

Land held for resale is classified as current except where it is held as noncurrent based on Council's intentions to release for sale.

(i) Fixed Assets

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Fixed Assets cont.

Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

(j) Depreciation of Non-Current Assets

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates and periods are:

Buildings	30 to 50 years
Furniture and Equipment	5 to 10 years
Plant and Equipment	5 to 10 years
Roads	50 years
Drains and Sewers	80 years
Parks (Plant and Equipment)	10 to 40 years

(k) Trade and Other Payables

Trade and other payables are carried at amortised cost. They represent liabilities for goods and services provided to the local government prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(I) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits). The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Shire has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the Shire expects to pay and includes related oncosts.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(I) Employee Benefits cont

(ii) Annual Leave and Long Service Leave (Long-term Benefits)
The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Shire does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

(m) Interest-bearing Loans and Borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

(n) Provisions

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(n) Provisions cont.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

(o) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

(p) Nature or Type Classifications Rates

All rates levied under the Local Government Act 1995. Includes general, differential, specific area rates, minimum rates, interim rates, back rates, exgratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

Operating Grants, Subsidies and Contributions

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

Non-Operating Grants, Subsidies and Contributions

Amounts received specifically for the acquisition, construction of new or the upgrading of noncurrent assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

Profit on Asset Disposal

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

Fees and Charges

Revenues from the use of facilities and charges made for local government services, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(p) Nature or Type Classifications cont.

Interest Earnings

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

Other Revenue / Income

Other revenue, which can not be classified under the above headings, includes dividends, discounts, rebates etc.

Employee Costs

All costs associate with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

Materials and Contracts

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

Utilities (Gas, Electricity, Water, etc.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

Insurance

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

Loss on asset disposal

Loss on the disposal of fixed assets.

Depreciation on non-current assets

Depreciation expense raised on all classes of assets.

Interest expenses

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

Other expenditure

Statutory fees, taxes, provision for bad debts, member's fees or levies including WA Fire Brigade Levy and State taxes. Donations and subsidies made to community groups.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(q) Statement of Objectives

In order to discharge its responsibilities to the community, the Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis and for each of its broad activities/programs.

Council operations as disclosed in this statement encompass the following service orientated activities/programs:

GOVERNANCE

The provision to allow decision-making process to efficiently allocate scarce resources. Administration services allocated to other areas and administration of council members.

GENERAL PURPOSE FUNDING

Collection of revenue to finance Council activities including; rates, government grants, interest revenue collection and administration.

LAW, ORDER, PUBLIC SAFETY

To provide services to ensure a safer community through the supervision of local laws, fire prevention, emergency services and animal control.

HEALTH

To provide an operational structure for good community health including pest control, immunisation and child health services.

EDUCATION AND WELFARE

To aid the needs of the community by providing senior citizens and day-care centres, pre-schools, playgroup assistance an other voluntary services.

COMMUNITY AMENITIES

The provision of services required by the community, including; waste management, collection and recycling programmes, environmental controls, town planning and storm water drainage and maintenance.

RECREATION AND CULTURE

To establish and manage facilities for the well-being of the community and ensure the availability of halls, aquatic centres, recreation centres, sports grounds and libraries.

TRANSPORT

The provision of effective infrastructure to the community through the construction and maintenance of roads and footpaths, bridges, lighting and cleaning of streets.

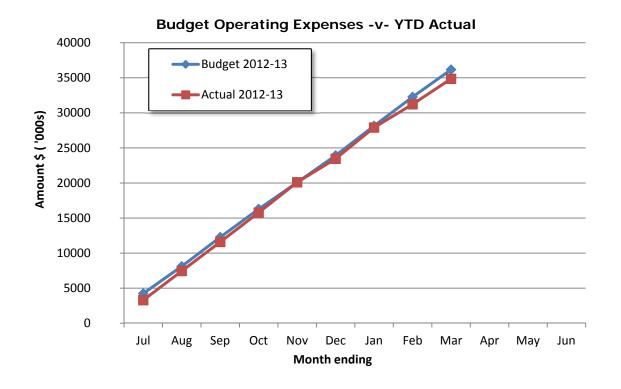

ECONOMIC SERVICES

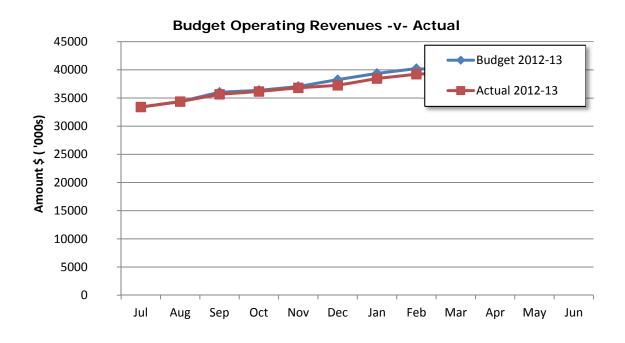

To promote the Shire and improve its economic base through the promotion of tourism, rural services and building control.

OTHER PROPERTY & SERVICES

Private works operations, plant repairs and general operations costs.

10.3.2. Review of Directorate Naming Protocols

Previous Items OCM 194/2011; OCM 11/2012

Responsible Officer Director Development & Infrastructure Services

Service Area Development & Infrastructure Services

File Reference

Applicant N/A Owner N/A

PURPOSE

1. To give consideration to an alternative name for the Development and Infrastructure Services Committee.

BACKGROUND

- 2. At the Council Meeting on 25 February 2013, a request was made, during Questions By Members Without Notice, that the name of the Development and Infrastructure Services Committee be changed to the Planning and Engineering Services Committee.
- 3. At the Ordinary Council Meeting on 20 February 2012, Council resolved the following:

"That Council:

- 1. Approves the renaming of the Planning Services Committee to the Development and Infrastructure Services Committee and the General Services Committee to the Corporate and Community Services Committee.
- 2. Approves the revised Terms of Reference for the Committees as per (Attachment 1)."
- 4. At its meeting on 21 November 2011, as part of the review of the Directorate structure for the Shire of Kalamunda, Council endorsed the move to the two-Director model. Council also adopted the following directorate naming protocol:
 - Development & Infrastructure Services
 - Corporate & Community Services
- 5. Custom and practice in many local governments of similar characteristics to Shire of Kalamunda is that the Council considers and approves changes to the structure of the local government at executive level. This can involve determining whether or not there will be a corporate management structure such as at Shire of Kalamunda, or some alternative model, the number of directorates, the general focus of the directorates and the overall staffing establishment.

6. It is the Chief Executive Officer's role to decide on the structure of the organisation below that of the Directors and to manage all staff within the organisation. This includes the employment and dismissal of all staff.

DETAILS

- 7. While the Elected Member request is to consider renaming the committee, it is assumed that the intent was to look at the renaming of the Directorate which largely services this committee.
- 8. A full review of the structure of the Shire of Kalamunda organisation took place in November 2011. At that time, extensive internal consultation took place between the executive and management groups with the purpose of reviewing existing services and budget requirements.
- 9. As part of the review, the current directorate names were approved by Council.
- 10. Development & Infrastructure Services encompasses the following business units:
 - Infrastructure Operations
 - Environmental Health
 - Strategic Planning & Sustainability
 - Statutory Planning
 - Building
 - Ranger and Emergency Services.

STATUTORY AND LEGAL IMPLICATIONS

11. Nil.

POLICY IMPLICATIONS

12. ADM22 – Organisational Structure

PUBLIC CONSULTATION/COMMUNICATION

13. Internal consultation has occurred. Consultation with the public is not considered necessary for this issue.

FINANCIAL IMPLICATIONS

- 14. There would be financial implications from a renaming of the Shire's Development & Infrastructure Services directorate.
- 15. Costs cannot be accurately predicted but arise from physical items (such as replacement of business cards for staff at \$156; forms and documentation for residents) to staff time (spent in updating all online references, workplans, project planning documentation, staff payroll/records, etc).

STRATEGIC AND SUSTAINABILITY IMPLICATIONS

Strategic Planning Implications

16. There are no strategic planning implications.

Sustainability Implications

Social Implications

17. There are no social implications.

Economic Implications

18. There are no economic implications.

Environmental Implications

19. There are no environmental implications.

OFFICER COMMENT

- 20. Over the past two years, the Shire has gone through significant changes and growth. Growth has been driven by the Council to expand and achieve its aims. Another driver behind the reform and strategy of the Shire is the pending Local Government reform process.
- 21. There is concern that changing the name of the Development & Infrastructure Services directorate would be considerably time-consuming and have financial implications. The amount of work a renaming would involve is considerable and it is believed that this would detract from other, significant priorities for Shire staff at this time.
- 22. Frequent name changes also have the potential to cause confusion within the community when understanding which area of the Administration and Committee of Council handles particular services. Additionally, tracing the history of matters considered by the Committee becomes more difficult.
- 23. In any event it is believed that the directorate title, Development and Infrastructure Services is an appropriate one which best fits, and embraces the range of services covered by the directorate.

Voting Requirements: Simple Majority

RECOMMENDATION

11.0 MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

11.1 Cr John Giardina – Shortage of Aged Care Sites within the Shire

I am making the motion to raise the issue of shortage of Aged Care sites within the Shire. No doubt Councillors are aware of the shortage of available, suitable land for Aged Care. As recently highlighted by Iris Jones and Candy Gordon, the situation is getting worse and Council needs to take action to pursue a range of sites. As has been pointed out, the Wilkins Road site is just one of many sites that we require and we need to get our state government elected members to put pressure on their departments to identify surplus land that could be put to this use.

Voting Requirements: Simple Majority

That Council:

- 1. Requests the Acting Chief Executive Officer to
 - Write to local members John Day, Nathan Morton and a. Tony Simpson to highlight the issues of the lack of land available for aged care.
 - b. Request the local members to pursue with the state government the availability of the following sites for Aged Care development within the Shire:
 - The Agricultural Department site in Forrestfield
 - The old speedway portion of Pioneer Park
 - The old Wattle Grove Primary School
 - The Department of Housing land adjacent to Dixon Road in Kalamunda
 - Portion of the land on the south east corner of the intersection of Canning Road and Pomeroy Road.
 - The reserve at 40 Alpine Road in Kalamunda
 - C. Request the local members to investigate any other surplus state government land due for rationalising within the Shire narticularly surplus school sites

	the Shire, particularly surplus school sites

Officer Comment

Staff believes that the input from State Government in helping to identify potential sites would be valuable. The range of sites identified by the Councillor are offer real opportunities to deliver the much needed additional sites required for the development of Aged Care.

The shortage of Aged Care is noted as one of Council's highest priorities and the pursuit of these properties is in accordance with the Shire's Strategic Plan, Kalamunda Advancing. Should the motion be passed, Shire staff will write to the members advising of the sites identified and seek meetings where necessary to try and pursue the land for Aged Care developments.

Staff note that the Education Department recently rezoned the surplus Roleystone Primary School to allow for development for Aged Care. Surplus government land would offer ideal opportunities to develop, given the state representatives are aware of the shortage of available facilities.

With regard to point 4, Staff can consider this as part of broader planning in the locality and liaise with the State Government over the suitability of the sites.

Agricultural Department Land in Forrestfield

Old Speedway Site at Pioneer Park

Old Wattle Grove Primary School Site

Department of Housing Land adjacent to Dixon Road

Land at Intersection of Pomeroy and Canning Roads

Reserve at 40 Alpine Road

11.2 <u>Cr John Giardina - WALGA</u>

I am concerned that the Shire spends a significant amount of ratepayers funds on services provided by WALGA yet there is never any assessment done of how effective the services are. This report will enable the Council to be informed on how well WALGA is working for the shire.

Voting Requirements: Simple Majority

That Council:

- 1. Requests the Acting Chief Executive Officer prepare a report outlining:
 - The costs associated with the Shire affiliation with WALGA.
 - The services that are provided by the Western
 Australian Local Government Association ("WALGA") to
 the Shire of Kalamunda.
 - Whether the Shire is receiving value for money in return for the affiliation fees it pays WALGA.

11.3 <u>Cr Simon Di Rosso – Financial Management System Review</u>

Rationale

Policy, Performance and Chief Executive Officer Contract Adherence Audit Directive

I am proposing to strengthen the Shire's audit functions, policy adherence review procedures and the Council's means to assess the future Chief Executive Officer's ("CEO") adherence to his, or her contract and policy provisions by introducing additional and external mechanisms for the same ("Policy, Performance and CEO Contract Adherence Audit Directive").

I make this proposal in order to provide a greater level of transparency and accountability for the Officers of the Shire at all levels and because I believe that Council should:

- Have in place a clear directive requiring an independent review of the Shire's financial management systems that goes above and beyond the currently utilised annual audit of the Shire's Financial Statements;
- Ensure Shire Officers unequivocally adhere to Council policies; and
- Ensure greater control of the actions of its future CEO by introducing a mechanism of increased accountability for that role.

It is for these reasons that I am requesting that Council support my motion to introduce an ongoing two yearly external and independent review of:

- The appropriateness and effectiveness of the Shire's financial management systems and procedures ("Financial Management System Review");
- Shire Officer adherence to Council Policies ("Policy Adherence Review"); and
- Chief Executive Officer adherence to his or her employment contract provisions ("CEO Contract Adherence Review").

I believe that our community deserves to be provided with the highest level of stewardship by its Administration at all times and that Council can achieve this level of assurance and accountability by introducing the Policy, Performance and CEO Contract Adherence Audit Directive.

Voting Requirements: Simple Majority

That Council:

1. Request the Chief Executive Officer, in accordance with Regulation 5 (2) (c) of the *Local Government (Financial Management) Regulations 1996*, undertake a review of the appropriateness and effectiveness of the Shire's financial management systems and procedures by an independent external qualified auditor and report those findings to the Audit and Risk Committee by no later than April of every alternate year for its review.

- 2. That the Scope of the review include but not be limited to:
 - a. Receipts and Receivables;
 - b. Rates:
 - c. Fees and Charges;
 - d. Credit Card Purchases;
 - e. Reimbursement requests;
 - f. Wages and salaries;
 - g. Fixed assets;
 - h. Records Storage and Record keeping;
 - i. Receipting and other relevant financial controls and Procedures:
 - j. Budget process and management reporting;
 - k. Long Term Financial Plans;
 - I. Strategic Financial Policies;
 - m. Creditor and debtor accounts;
 - n. Plant and equipment lease agreement accounts;
 - o. Service contract accounts:
 - p. Bank Reconciliations;
 - q. Trust Funds;
 - r. Identification of weaknesses;
 - s. Improvement recommendations; and
 - t. Other matters that may be required.
- 3. Request the Audit and Risk Committee to review the independent audit report provided by the Chief Executive Officer report and provide a recommendation to the full Council meeting of June of each alternate year setting out its view as to the completeness and accuracy of the independent audit report and any other matter the Audit and Risk Committee deems appropriate.

(Financial Management System Review)

4. Request the Chief Executive Officer ensure that the external auditor report for the CEO Contract Adherence Review is provided to the Audit and Risk Committee before June in any two-year cycle for its consideration and subsequent report to Council thereafter by August of the same year.

(CEO Contract Adherence Review)

5. Request the Chief Executive Officer, by no later than April of every alternate year, engage a suitably qualified independent external auditor to undertake a performance audit of Shire Officer compliance with Council Policies with a request to the external auditor to thereafter provide a comprehensive report of all determinations back to Council's Audit and Risk Committee.

6. Request the Chief Executive Officer to ensure that external auditor report for the Policy Adherence Review is provided to the Audit and Risk Committee before June in any two-year cycle for its consideration and report to Council thereafter by August of the same year.

(Policy Adherence Review)

7. List for consideration to the forthcoming budget deliberations an allocation that would allow for a financial management system review audit every two years and a Policy Adherence and CEO contract adherence audit every alternate year.

Officer Comments

The request to have an additional review of the financial management systems of the Shire is strongly supported by Officers.

The Department of Local Government is currently preparing legislation that will require Local Governments' to undertake a financial systems review every two years so this motion supports the future direction of the State government.

The request to have a Performance audit of Council Polices is also strongly supported by officers. This practice, whilst not stipulated by the Local Government Act, will provide a best practice approach to Council Policy management and review. The Council, under Section 2.7 (2) (b) of the Act is to determine the local government's policies. Policies provide the Council and staff with the ability and direction to make decisions that are considered to be consistent and unbiased. A Policy can also provide detail on the manner in which the Shire undertakes, or requires others to undertake, certain works or activities and to report on certain activities.

A regular review of the provisions of the Chief Executive Officer's contract is supported by Officers. The Chief Executive Officer is the only employee of the Council and has broad and extensive discretional power under the Local Government Act. The Chief Executive Officer's Employment Contract generally outlines a number of requirements that are to be abided by or executed by the CEO and thus having this independently checked is a risk mitigating strategy the Council will be using.

A performance Audit of Council Policies and the CEO's Employment Contract will provide Council with assurances that the Policies adopted and the provisions of the CEO contract are being implemented and adhered to. This will mitigate the risks that come when there are policy gaps or where policies are not being adhered to. This will also ensure the Chief Executive Officer is required to be completely transparent in the execution of their fiduciary responsibilities under an employment contract.

It is strongly advised that the request for additional audits is budgeted and that a report is provided to Council during the forthcoming budget deliberations so that Council will understand the cost implications of the abovementioned recommendation being proposed.

It may be prudent for council to make the abovementioned recommendations subject to the provision of cost estimate.

12.0 QUESTIONS BY MEMBERS WITHOUT NOTICE

13.0 QUESTIONS BY MEMBERS OF WHICH DUE NOTICE HAS BEEN GIVEN

Questions from Ordinary Council Meeting 25 March 2013

- 13.1 <u>Cr Frank Lindsey Chalet Rigi Restaurant</u>
- Q. Has there been any further progress with regard to redevelopment of the Chalet Rigi Restaurant?
- A. All approvals are in place, in particular the waste water disposal system which was approved in November 2012 by the Department of Health. From the Shire's perspective there is no impediment to the development proceedings.
- 13.2 <u>Cr Noreen Townsend Letter to Minister John Day</u>
- Q. Do you think it would be appropriate for the Shire to write to Minister John Day with regard to his comments in the local paper indicating that his role is to represent his constituents in the Shire of Kalamunda and that his comments are not doing that?
- A. It is understood by the Acting Chief Executive Officer that this will be the subject of discussions between the Shire President and Minister Day.

Questions received by email 12 April 2013 from Cr Di Rosso with a request they be included in the next OCM Agenda

- 13.3 <u>Rocks Around Kostera Oval</u>
- Q. Could you please investigate the placement of the current rock barrier around Kostera Oval? I've noticed the amount of rocks around the oval continually growing over the last months to the point where it is now quite difficult to access the oval on foot. This would be particularly so for young children, parents pushing prams and certainly for the elderly. I think apart from the inconvenience, this represents a safety issue for the Council.
- A. This issue is within the controls of the Education Department; however, the Shire of Kalamunda will raise your concerns with the school.

13.4 Kostera Oval Locks

- Q. I have been asked by a resident to action an investigation of the current standard of locks on gates to the Kostera and Hedley Jorgenson ovals. The resident is of the view that the gates are not locked when they are supposed to be and that locks are not replaced if they are damaged or stolen. According to the resident, this is a security issue for his property and likely others that back onto the oval/s. Could you please investigate?
- A. This issue is within the controls of the Education Department; however, the Shire of Kalamunda will raise your concerns with the school.

13.5 <u>Kostera Oval – "No dog" signs</u>

- Q. In the last few days, "No Dogs" signs have been installed along the Cotherstone Road side of Kostera Oval. They do not appear to be Council signs. I would not support a complete ban on dog access to this oval area but note as you mentioned that this is not a Council initiative. Could you please arrange to have the signs removed?
- A. This issue is within the controls of the Education Department; however, the Shire of Kalamunda will raise your concerns with the school.
- 13.6 <u>Verge Tree Trimming on Williams Street Kalamunda</u>
- Q. I have been asked by a resident in William Street to inform the Council that the underside of Council's verge trees are in need of trimming particularly along the opposite side of the Library. Could the trimming regime for this street please be checked and if this work is necessary, could it please be attended to?
- A. The inspection and trimming schedule is in accordance with the current service standards, which provides for a visit twice annually. On the basis of this request, this area has been programed in for the tree crew to attend to in approximately two weeks' time.
- 13.7 Request for a roundabout at corner of Collins and Canning Road Kalamunda
- Q1. I have been asked by a resident as to whether the Council would give consideration to the installation of a round-a-bout at the corner of Collins and Canning Road, Kalamunda? I would be grateful if you could please let me know the details of the proposed road improvement works to the Collins Road/Canning Road intersection area as you mentioned.
- A1. This will be investigated and a briefing note provided to all Councillors.
- Q2. I note your advice that there is a plan to install a roundabout on the corner of Railway and Williams, which I think is excellent. Could you please draft me a briefing note about that providing information as to whether the Railway and Canning roundabout is formally approved?
- A2. This will be investigated and a briefing note provided to all Councillors.

13.8 <u>Darling Range Regional Park – Die Back information and public remediation</u> facilities

Q. As we also discussed, I think it would be advantageous, given your advice about the reality of Die Back in our Shire, for a study to be undertaken on the extent of the same and other prevalent flora problems throughout the areas of the Darling Range Regional Park that are accessible to the public (i.e. the designated walking trails), particularly along the Gooseberry Hill Road corridor.

I was recently approached by a resident who was particularly concerned about Die Back and the general loss of native flora in this area and who wondered what the Council is doing about it. I think if we conducted a study into the current impact that human interaction has in this area, and install visual signs throughout the park that inform the public of the same, the issues are currently known to be prevalent in the area and what they can do to minimise their impact, this would be very positive.

As I mentioned during our conversation, there are facilities that can be installed on walking trails for example boot scrubbers (currently installed along the Bibbulmun Track) that walkers can use when they move between areas severely affected by such things as Die Back and others where the problem is not as advanced. Along the Bibbulmun Track, there are also signs (in these locations) that advise the walker of the benefit they can achieve by utilising the facilities.

Can you please investigate this and let me know what we can do going forward?

A. Phytophthora Dieback is a major threat to the biodiversity of the Shire of Kalamunda, with the potential to infect 40% of local native flora and have devastating impacts on local fauna. Dieback management in the Shire has been taking place for over 10 years. The Shire undertakes annual treatment as budgets allow and this has included; community awareness, mapping of dieback on environmental reserves and the installation of signage and boot cleaning stations at many locations and phosphite stem injections to susceptible trees on both Shire reserves and private property as requested.

To increase our capacity to manage this threat Shire Environmental Officers have developed several collaborative projects focussing on dieback management and has sought external grant funding to implement. The Shire also continues to develop and apply for further collaborative grant opportunities for the interpretation, mapping and treatment dieback including the Railway Heritage trails.

In the financial year 2013/2014 a dedicated budget for the management of Phytophthora Dieback, including community education, interpretation and mapping, treatment, signage and boot cleaning stations will be proposed.

Questions received by email 15 April 2013 from Cr Thomas with a request that they be included in the next OCM Agenda

- 13.9 Resident's Amalgamation Queries addressed to Cr Thomas
- Q1. What does the Shire hope to achieve in exchange for the capital outlay of approximately \$100,000 ie the cost of the Referendum on Council Amalgamations?
- A1. The Council made a decision to hold a community poll to determine if the community of Kalamunda Shire supported amalgamation with one or more other local governments and to raise awareness of the implications that may occur in the event of an amalgamation. The Council allocated \$80,000 to pay for the poll.

A community poll will provide Electors of the Shire of Kalamunda with the opportunity to inform the Council of their support or opposition to the possibility of the Shire being amalgamated with one or more other local governments.

- Q2. If there is a positive response to this referendum, as expected by Councillors and the numbers responding show a large percentage of ratepayers (and not the 25% to 30% as in Council Elections) from ALL suburbs throughout the whole Shire, does the Shire have any knowledge that this referendum will make any difference as to whether our Shire will be required to amalgamate by the State Government?
- A2. The new Minister for Local Government has publicly stated that he "invites the Shire to hold its community Poll and he will consider the results." He also said, "We have a responsibility to the future of WA, with a fresh look and a fresh start."

The Councillors that supported the motion believes that the voice of its community will be heard and will make a difference so they are giving the community an opportunity to voice their view.

It has been shown time and time again that Advocacy campaigns can work – and this is the greatest opportunity that the Shire of Kalamunda has to ensure that the voice of its people is heard.

Question received by email 15 April 2013 from Cr Di Rosso with a request that it be included in the next OCM Agenda

13.10 Kostera Oval Upgrade

Q. I know we're currently looking for some grant funding and plan to use the Liberal Parties' \$1 million contribution for upgrade works to Kostera, but as I understand it, we also have funds in reserve allocated to the oval upgrade.

Can you please confirm how much of the reserve funds are available for this work? If funds are available, could you please advise as to a timeframe within which the works could commence and when an item setting this information out and requesting a 'go ahead' will come to Council?

A. During the recent State election campaign the State Liberal Party made a \$1M pledge towards the implementation of the Kostera Oval redevelopment plan. The entire project involving re-levelling of the playing surfaces plus new facility is estimated at \$6M.

The \$1M commitment provides an opportunity to fast track the playing field expansion component of the Kostera Oval project, with the potential to obtain up to a further \$2M from the Department of Sport and Recreation (DSR), through the Community Sport and Recreation Facilities Fund (CSRFF) program. Initial discussions with DSR staff has indicated that whilst up to an additional \$2M can be applied for, it is likely that the final determination of CSRFF support will take into consideration the current Liberal party commitment.

The Shire can apply for CSRFF in the next round which is late 2013 and should an application be successful, funds would be made available in 2014/2015 financial year.

Further to this, Officers are also seeking further funding support of approximately \$1M through Federal funding avenues.

Pending support of above suggested funding avenues and the development of a detailed project plan, the Shire would need to allocate the balance of funds to cover the remaining project costs. This figure is estimated at between \$2M to \$3M over the next 4 years (commencing 2014/15).

The administration recommended to the Council in the January 2013 Budget review to change the purpose of the Land and Property Reserve to include maintenance costs. This will allow it to draw on the Reserve back to the Municipal fund to allow it the flexibility to commit the Shire's contribution towards the project in 2014/15."

A report will be presented to Council seeking support for the lodgement of a CSRFF application in October 2013, once project planning has been further refined.

14.0 URGENT BUSINESS APPROVED BY THE PERSON PRESIDING OR BY DECISION

14.1 A late report "Community Garden – Lot 42 (8) Lindsay Street, Kalamunda" will be distributed to Councillors as soon as possible, for their consideration.

15.0 MEETING CLOSED TO THE PUBLIC

16.0 CLOSURE
