

Submission Table – Proposed Road Reserve Realignment – Fern Road, Piesse Brook

Submitter	Nature of Submission	Officer Comment
ATCO	<p>Non-Objection</p> <p>ATCO does not operate any gas mains or infrastructure within this area.</p> <p>ATCO has no objection to register with the City and supports the proposal to facilitate the proposed change in land tenure.</p>	Noted.
Telstra	<p>Non-Objection</p> <p>Telstra’s plant records indicate that there are Telstra assets in the vicinity. Subject to compliance with Telstra’s standard conditions, Telstra has no objection to the proposal.</p> <p>Telstra would also appreciate due confirmation when this proposal proceeds so as to update its Cadastre records.</p>	Noted.
Water Corporation	<p>Non-Objection</p> <p>The Water Corporation does not have any assets in this area.</p>	Noted.
Western Power	<p>Non-Objection</p> <p>Based on the City’s advice that there are no construction works planned, Western Power’s assets can stay in-situ. In the future, if road widening is required, the customer will be responsible to relocate the poles impacted and will be responsible for the payment of all costs associated with the relocation to comply with the pole placement policy.</p> <p>Vegetation clearance corridor of 12 metres (6 metres on either side) along the high voltage (HV) bare conductors must be maintained.</p>	Noted.
