MINUTES FROM 2ND APRIL, 2024 COMMITTEE MEETING HELD AT
COMMUNITY CENTRE, 24 ANDERSON ROAD, FORRESTFIELD.

MEETING: Opened at 10.37am

PRESENT: Lee Stedman, Brian Lovell, Phil Rohrlach, Bill Wolstenholme, Des
Jamieson, Keith Weaire and Colin Southern.

BUSINESS: The committee members were advised that the purpose of the
meeting was to discuss the conceptual plans presented to us for the new shed
and the alterations that we had suggested. They were brought up to date on the
meeting Lee and Brian attended with the City on the 27th March 2024 in which
these plans were discussed. Discussion amongst the members followed. We
then voted and it was unanimously agreed that the Foothills Men's Shed
supported the conceptual plans presented to us by the City with the alterations
submitted by us in our email dated 20th March 2024.

In support of our requested alterations it was agreed that the Shed would offer a
contribution of up to \$40,000.

The meeting closed at 10.55am
