

# Public Agenda Briefing Forum

11 June 2024

# Our Vision

## Connected Communities, Valuing Nature and Creating our Future Together

### Core Values

**Service:** We demonstrate a 'can do' attitude, we listen, we understand, and we go above and beyond when we serve others.

**Professionalism:** We look, speak, act & do what it takes to show others we are reliable, respectful and competent.

**Quality:** We think clearly, plan mindfully, act decisively, measure carefully and review regularly everything we do.

### Aspirational Values

**Courage:** We make brave decisions and take calculated risks to lead us to a bold and bright future. We show courage in our pursuit for the protection of the environment, for the well being of our people and to support the economy.

**Diversity:** We challenge ourselves by keeping our minds open and looking for all possibilities and opportunities.

**Innovation:** We believe in a workplace where you're safe to try new things—where we can push the boundaries of the norm and learn from things that don't always go according to plan. We strive for a just and blameless culture that respects people as individuals and paves the way to genuine learning and improvement.

**Our simple guiding principle will be to ensure everything we do will make the City of Kalamunda socially, environmentally and economically sustainable.**

## INFORMATION FOR THE PUBLIC ATTENDING PUBLIC AGENDA BRIEFING

Agenda Briefing Forums will involve Elected Members, employees as determined by the Chief Executive Officer and external advisors (where appropriate) and will be open to the public. **The Briefing Session will be held at the City of Kalamunda commencing at 6.30pm.**

Agenda Briefing Forums will provide the opportunity for Elected Members to be informed and seek additional information on matters prior to the presentation of such matters to the next Ordinary Council Meeting for formal consideration and decision.

### Acknowledgement of Traditional Owners

We wish to acknowledge the traditional custodians of the land we are meeting on, the Whadjuk Noongar people. We wish to acknowledge their Elders' past, present and future and respect their continuing culture and the contribution they make to the life of this City and this Region.

### Emergency Procedures

**Please view the position of Exits, Fire Extinguishers and Outdoor Assembly Area as displaced on the wall of the Council Chambers.**

**In case of an emergency follow the instructions given by City Staff.**

**Please remain at the assembly point until advised it is safe to leave.**

## **Webcasting Notice**

Please note that tonight's meeting, other than the confidential sessions, are live streamed and recorded.

All in attendance and those addressing Council should refrain from making offensive/defamatory statements as there may be legal implications.

Council takes all care when maintaining privacy, however members of the public gallery and those addressing Council should be aware that you may be recorded.

### PROCEDURES FOR PUBLIC AGENDA BRIEFING FORUMS

The following procedures will apply to all Public Agenda Briefing Forums conducted by the City of Kalamunda:

- a. Public Agenda Briefing Forums will be open to the public matters of a confidential nature will not be presented. The guide in determining those matters of a confidential nature shall be in accordance with the *Local Government Act 1995* (WA).
- b. Dates and times for Public Agenda Briefing Forums will be set more than one (1) week in advance where practicable, and appropriate notice given to the public.
- c. The Chief Executive Officer will ensure timely written notice and an agenda for each Public Agenda Briefing Forum will be provided to all Elected Members, members of the public and external advisors (where appropriate).
- d. Ordinarily, the Mayor is to be the Presiding Member at Public Agenda Briefing Forums. However, should Elected Members wish to rotate the role of Presiding Member for a particular meeting, those Elected Members present may select, by consensus, a Presiding Member for the relevant Public Agenda Briefing Forum from amongst themselves to preside at that Public Agenda Briefing Forum.
- e. Relevant employees of the City of Kalamunda will be available to make presentation or respond to questions on matters listed on the agenda for the Public Agenda Briefing Forum.
- f. All Elected Members will be given a fair and equal opportunity to participate in the Public Agenda Briefing Forum.
- g. The Presiding Member will ensure time is made available to allow for all matters of relevance to be covered.
- h. Elected Members, employees and relevant consultants shall disclose their interests on any matters listed for the Public Agenda Briefing Forum. When disclosing an interest, the following is required:
  - i. Interests are to be disclosed in accordance with the provisions of the *Local Government Act 1995*, the *Local Government (Rules of Conduct) Regulations 2007* and the *City's Code of Conduct*.
  - ii. Elected Members disclosing a financial interest will not participate in that part of the forum relating to the matter to which their interest applies and shall depart the room.
  - iii. Employees with a financial interest in a matter may also consider it appropriate to depart the room when the matter is being considered, however there is no legislative requirement to do so.
- i. Minutes shall be kept of all Public Agenda Briefing Forums. As no decisions are made at a Public Agenda Briefing Forum, the minutes need only be a general record of the items covered but shall record any disclosure of interests as declared by individuals. A copy of the minutes is to be attached to the following Ordinary Council Meeting for Council of the preceding forum.
- j. At any Public Agenda Briefing Forum, Elected Members may foreshadow a request to the Chief Executive Officer for the Chief Executive Officer to prepare a report on a matter they feel is appropriate to be raised and which is to be presented at a future Public Agenda Briefing Forum.
- k. Requests of this nature may not be accepted by the Chief Executive Officer at forums, but instead, Elected Members wishing to formalise such a foreshadowed request, shall submit a Notice of Motion to that effect to the Chief Executive Officer in accordance with the *City's Standing Orders Local Law 2015 (City's Standing Orders)*.

### Questions in Writing

- a. Questions must relate to a matter contained in the Agenda Briefing Forum agenda.
- b. The City will accept a maximum of five written questions per member of the public. To ensure equality and consistency, each part of a multi-part question will be treated as a question in its own right.
- c. Questions lodged by the close of business on the working day immediately prior to the scheduled Agenda Briefing Forum will be responded to, where possible, at the Agenda Briefing Forum. These questions, and their responses, will be distributed to Elected Members and made available to the public in written form at the meeting.
- d. The Presiding Member shall decide to accept or reject any written question and his/her decision shall be final. Where there is any concern about a question being offensive, defamatory or the like, the Presiding Member will make a determination in relation to the question. Questions determined as offensive, defamatory or the like will not be published. Where the Presiding Member rules questions to be out of order, an announcement to this effect will be made at the meeting, including the reason(s) for the decision.
- e. The Presiding Member may rule questions out of order where they are substantially the same as questions previously submitted and responded to.
- f. Written questions unable to be responded to at the Public Agenda Briefing Forum will be taken on notice. In this case, a written response will be provided as soon as possible and included on the agenda of the next Ordinary Council Meeting.
- g. A person who submits written questions may also ask questions at a Public Agenda Briefing Forum and questions asked verbally may be different to those submitted in writing.
- h. Questions and any response will be summarised and included in the minutes of the meeting.
- i. It is not intended that question time should be used as a means to obtain information that would not be made available if it was sought from the City's records under Section 5.94 of LG Act or the FOI Act.

- j. Where the response to a question(s) would require a substantial commitment of the City's resources, the Chief Executive Officer will determine that it is an unreasonable impost upon the City and may refuse to provide it. The Chief Executive Officer will advise the member of the public that the information may be sought in accordance with the FOI Act.

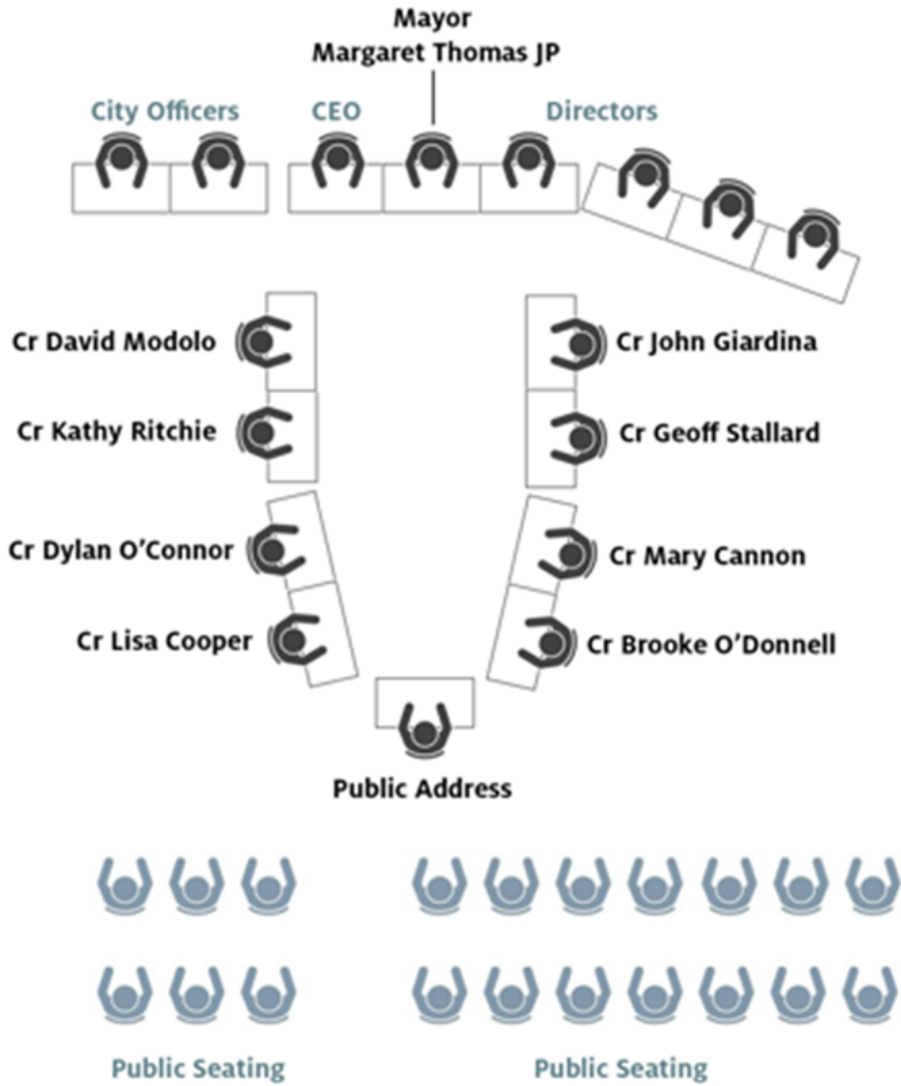

### Questions of Clarification

Members of the public may ask questions of clarification at Public Agenda Briefing Forums.

- a. Questions of clarification asked at a Public Agenda Briefing Forum must relate to a matter contained on the agenda.
- b. Questions of clarification will be limited to two (2) minutes per member of the public, with a limit of two (2) verbal questions per member of the public.
- c. The period at which members of the public may ask questions of clarification must follow the presentation of reports.
- d. Statements are not to precede the asking of a question of clarification. Statements should be made during public submissions.
- e. The period for questions of clarification will be allocated a minimum of 15 minutes. This time is declared closed following the expiration of the allocated 15 minute time period, or earlier if there are no further questions. The Presiding Member may extend public question time in intervals of 5 minutes, but the total time allocated for public question time is not to exceed 30 minutes in total.
- f. Questions of clarification will otherwise be governed by the same requirements and procedures as set out above from 5.1(i) to 5.1(n).

## STRATEGIC PLANNING ALIGNMENT

*Kalamunda Advancing Strategic Community Plan to 2031*

### Priority 3: Kalamunda Develops

**Objective 3.2** - To connect community to key centres of activity, employment and quality amenities.

**Strategy 3.2.1** - Ensure existing assets are maintained to meet community expectations.

**Strategy 3.2.3** - Provide and advocate for improved transport solutions and better connectivity through integrated transport planning.

## EXECUTIVE SUMMARY

1. The purpose of this report is to consider the award of tender RFT 2401 for the supply and lay minor asphalt for road maintenance and minor projects.
2. It is recommended that the Council accept the tender from Merger Contracting Pty Ltd T/A J&M Asphalt, ABN 46 091 240 354 as per the Schedule of Rates set out in the Confidential Attachment 1 to this report. The estimated expenditure within this contract is \$500,000 (ex GST) per annum with an initial term of three years and two further one year extensions at the City of Kalamunda's (City) discretion.

## BACKGROUND

3. The City sought to engage a suitable and experienced contractor for the provision of supply and lay of minor asphalt complementary to maintenance and minor capital works projects being conducted on roads.
4. The services proposed primarily require profiling existing road pavement and laying of asphalt. There is also a provision to prepare traffic management plans (TMPs) and provide traffic controllers (TCs) for this work.
5. Due to the larger scale of some maintenance work required, a suitable contractor for the supply and laying of minor asphalt is necessary to undertake work that is outside the internal staff resources and capacity. This provision also allows the City to attend to works that need to be undertaken outside the City's normal operational hours.

**DETAILS AND ANALYSIS**

6. The City undertakes maintenance or minor capital works in roads throughout the City's jurisdiction. Due to road classifications, posted speed limits, volume of traffic and number of heavy vehicles travelling on a particular road, maintenance of that road can only be taken at night or the weekend.
7. In some instances, due to resources available, the volume of work required is outside the City's internal staff capacity, hence requires a contractor to carry out the work.
8. The City issued RFT 2401 through its E-Tendering Portal and an advertisement in the West Australian newspaper on Wednesday 13 March 2024. Receipt of Tender submissions closed at 2.00pm AWST Wednesday 10 April 2024.
9. One submission was received, and an Evaluation Panel was convened of suitably qualified City Officers to assess the tender submission received.
10. The Tender submission was assessed for to ensure compliance as set out in the tender invitation. Following meeting the compliance requirements, the submission was then assessed against the qualitative criteria as set out in the tender invitation.
11. The Qualitative Criteria and weighting were determined as follows:

<b>Qualitative Criteria</b>	<b>Weighting</b>
Relevant Experience	25%
Key Personnel Skills & Experience	25%
Tenderer's Resources	20%
Work Health and Safety	25%
Local Benefits	5%

12. The Tender Assessment Panel determined that a Qualitative Pass Mark (QPM) of 60% would be set for the tender of this nature.
13. The sole tender submission received met the required QPM of 60% and met the price assessment. Therefore, the submission met all requirements of the procurement process and is the best value for money outcome for the City.

**APPLICABLE LAW**

- 14. Section 3.57 of *Local Government Act 1995*. Part 4 of the *Local Government (Functions and General) Regulations 1996*.

**APPLICABLE POLICY**

- 15. Policy C-PP01 – Purchasing has been followed and complied with.

**FINANCIAL CONSIDERATIONS**

- 16. The use of minor asphalt works under this contract will form part of approved annual budgets in Infrastructure Services and capital works projects.

**RISK MANAGEMENT**

17.

<b>Risk:</b> Contractor unable to attend to urgent work in a timely manner, which increases safety risk.		
<b>Consequence</b>	<b>Likelihood</b>	<b>Rating</b>
Significant	Possible	High
<b>Action/Strategy</b>		
a) Embedding contractual mechanisms to ensure response to emergency situations has been agreed to.		
b) Capacity of the organisation to respond was assessed as part of the qualitative assessment.		

18.

<b>Risk:</b> The Contractor fails to provide skilled and experienced personnel and equipment to fulfil the requirements of the contract leading to low quality work produced.		
<b>Consequence</b>	<b>Likelihood</b>	<b>Rating</b>
Significant	Possible	High
<b>Action/Strategy</b>		
c) Personnel and equipment to respond was assessed as part of the qualitative assessment.		
d) Start up meeting will be held with the contractor to outline City's expectation for timely attendance of the site and quality of work.		
e) Contract will be managed to ensure the requirements of this contract are met and communication with contractor will be held if and when required.		

## **CONCLUSION**

19. The delivery of Tender RFT 2401 The Supply and Lay Minor Asphalt will assist the City with maintenance of the road network and delivery of minor capital works projects. The City is satisfied that the recommended tenderer has the capability, capacity, along with experience to provide the City with the required minor asphalt work services.

<b>Voting Requirements: Simple Majority</b>
---

## **RECOMMENDATION**

That Council ACCEPT the tender RFT 2401 The Supply and Lay of Minor Asphalt from Merger Contracting Pty Ltd T/A J&M Asphalt, ABN 46 091 240 354 as per the Schedule of Rates set out in the Confidential Attachment 1, for an initial term of three years and two further one-year extensions at the City of Kalamunda's discretion.

## STRATEGIC PLANNING ALIGNMENT

*Kalamunda Advancing Strategic Community Plan to 2031*

### **Priority 2: Kalamunda Clean and Green**

**Objective 2.3** - To reduce the amount of waste produced and increase the amount of reuse and recycling of waste.

**Strategy 2.3.1** - Implement the City's Waste Plan aligned to the State Waste Avoidance and Resource Recovery Strategy.

## EXECUTIVE SUMMARY

1. The purpose of this report is to consider the award of eQuote 2024-03 Food Organics Garden Organics (FOGO) Processing Services.
2. FOGO 3<sup>rd</sup> Bin roll out is planned to commence in the first week of September 2024. To enable this, a FOGO Processing Service needs to be in place to prepare the facility for receiving the City's FOGO.
3. It is recommended that Council ACCEPT the eQuote 2024-03 FOGO Processing Services submitted by Resource Recovery Group, ABN 28 965 675 752 of 9 Aldous Place, Booragoon, WA 6154 as per the schedule of rates set out in the Confidential Attachment 1 to this report.
4. The FOGO processing tender marks initiation of the final phase of its implementation project, consistent with strong community support and realising Council's Kalamunda Advancing 2031 Strategic Community Plan.

## BACKGROUND

5. The State Government released its Waste Avoidance & Resource Recovery (WARR) Strategy in February 2019 which had two Headline Strategies that impacted Local Government:
  - "1. A consistent three bin kerbside collection system, which includes separation of food organics and garden organics from other waste categories, to be provided by all local governments in the Perth and Peel region by 2025 and supported by State Government through the application of financial mechanisms.*
  - 2. Implement local government waste plans, which align local government waste planning processes with the Waste Avoidance and Resource Recovery Strategy 2030."*

6. Council at its 23 June 2020 Ordinary Council Meeting (OCM) adopted the City's Waste Plan which included the introduction of a 3<sup>rd</sup> Bin FOGO kerbside collection service. Council also adopted at that meeting the following Default Bin set up for FOGO in line with the Waste Authorities Better practice FOGO kerbside collection guidelines:

7.

- a) fortnightly 240L Yellow Lidded Recycling Bin;  
b) weekly 240L Lime Green Lidded FOGO Bin;  
c) fortnightly 140L Red Lidded General Waste Bin;  
d) opt-in availability at no extra cost to the resident of a 360L Recycling Bin;  
and  
e) specific circumstances where the default system for residents is problematic to be treated on a case by case basis
8. As a member at that time of the Eastern Metropolitan Regional Council (EMRC) Council at its 27 October 2020 OCM resolved to:
- “CONFIRM that the City of Kalamunda will provide its Food Organic / Garden Organic waste to the Eastern Metropolitan Regional Council for processing subject to an acceptable outcome to the City of Kalamunda of the Eastern Metropolitan Regional Council Food Organic / Garden Organic Tender process.”*
9. The EMRC FOGO Processing Tender after a period of 18 months was cancelled by the EMRC in December 2022. Council concurrently withdrew from the EMRC with effect on 1 July 2023.
10. The City of Kalamunda's (City) Community Engagement Survey (Attachment 2) undertaken back in May 2020 and reported to Council at its 23 June 2020 OCM proved there was 86% support for Council moving to FOGO, with Council subsequently committing to FOGO and a Communications Plan being developed. Since committing to a 3<sup>rd</sup> Bin FOGO back in 2020 Council has created strong community support for FOGO's introduction through its FOGO communications.

11. To encourage carbon abatement activities, the Australian Government provides incentives called Australian Carbon Credit units (ACCU's). The system by which waste generators segregate compostable materials from other waste streams at source is defined as Source Separated Organics (SSO's), which is applicable to FOGO.

Projects under the SSO's method can earn ACCU's because they separate their organic waste from other waste, reducing the amount to landfill. The City made its application on 9 November 2023 to the Clean Energy Regulator to have its Kalamunda Food Organics and Garden Organics Composting Project (FOGO 3<sup>rd</sup> Bin project) considered to be eligible for ACCU's.

The Clean Energy Regulator advised on 30 May 2024 that it has approved the City's application for registration of a project under Section 27 of the *Carbon Credits Act (Carbon Farming Initiative) Act 2011*.

### **DETAILS AND ANALYSIS**

12. The eQuote 2024-03 FOGO Processing Services was issued through the E-Tendering Portal through the WALGA Preferred Supplier Panel Contract (SP 007) Waste & Energy on Wednesday 3 April 2024.
13. Over the last three (3) years the City's General Waste Bin service has generated on average around 19,500 tonnes of putrescible municipal kerbside waste per annum. Based upon the experiences of other Local Governments who have introduced FOGO, the City can expect a split of around 50/50 FOGO/General Waste initially before the FOGO volume increases. These values informed the expected tonnes to be disposed of as part of the eQuote assessment.
14. The tender was assessed on the rate whereby the City has Legal Right to the ACCU's, following the approval of the project by the Clean Energy regulator.
15. An Evaluation Panel was convened of suitably qualified City Officers to assess the tenders received.
16. eQuotes were assessed in a staged process of firstly checking for compliance to matters set out in the eQuote invitation.

17. The City added to its normal Compliance Criteria for the contract the following:
- a) The capabilities to process up to 10,000 tonnes of FOGO Material from the City's Lime Green Lidded Bins per annum.
  - b) The facility (processing site) must be able to provide evident of DWER licence to accept all material collected from the City's Lime Green Lidded (FOGO) 240Ltr MGB's.
  - c) The facility must include a weighbridge that can accurately weight in metric weight measurements in agreed kilogram increments, that can provide electronic docket system for each load received, showing time and date with truck registration. A copy of the weighbridge calibration certificate must be provided.
  - d) The Processing Facility can receive waste five days per week plus Public Holidays.
  - e) Evidence of a contemporary billing system that aligns with provided weighbridge dockets.
  - f) The Contractor must be able to provide in a timely manner all the data required to enable the City to meet its reporting requirements for its Kalamunda Food Organics Garden Organics Compositing "Project" to ensure it always retains its exclusive legal right to all Australian Carbon Credit Units (ACCU's) for this source separated Organic Waste (SSOW) project by the Clean Energy Regulator under the *Carbon Farming Initiative Act 2011*.

The Compliance Criteria was evaluated on a "Yes/No" basis, with the compliance assessment completed by the City's Coordinator Procurement.

18. A Compliant eQuote submission was received from:
- a) Resource Recovery Group
19. FOGO Processing Services was determined based on the selection criteria, to indicate the ability of the eQuoter to satisfactorily deliver its services. An acceptable qualitative score that would indicate the ability of the eQuoter to satisfactorily deliver its services, known as a Qualitative Pass Mark (QPM) was set at 60% prior to undertaking the Evaluation Process. The evaluation process was split into three parts: Compliance Criteria review, assessment of the Qualitative Criteria and the assessment of Tenderers Prices received that met or exceeded the predetermined QPM.
20. The compliant eQuote was assessed on their eQuote Schedule of Rates pricing, based on price per tonne processing rate.

21. The eQuote submission received that met the compliance criteria was assessed against the following Qualitative Criteria due to the nature of the service requested.

Qualitative Criteria	Weighting
Relevant Experience & Safety	20%
Key Personnel & sub Contractors Skills & Experience	15%
eQuoters Resources	15%
Methodology – Understanding of the Operational Requirements and Plans to deliver the Service	40%
Environmental Responsibility	10%

The eQuote submission met the required QPM of 60% or above and progressed to the next stage.

Company Name	Qualitative Total Score (Weighted @ 100%)	Qualitative Rank
Resource Recovery Group (RRG)	87%	1

This was then advanced to the price assessment stage, based on price per tonne processed as per the table below:

Company Name	Ranking based upon Price per Tonne Processed
Resource Recovery Group (RRG)	1

The City then needed to consider any other costs that affected its value for money assessment in the following way:

Tendered Price + Estimated Transport Cost + Other Factors = Total Cost of Contract.

Consideration of relevant Total Cost of Contract, including the eQuoters processing pricing schedule and the transportation costs to the Facility will vary depending on the location of the nominated facility. In this case however, the nominated facility was in the lowest transport cost category with the nominated facility only being some 13kms from the City Boundary and 22kms from the City's Administration Office which was used as a central point in comparison of distances. Therefore, there was no need to consider against facilities in other transport categories.

Company Name	Total Cost of Contract Ranking
Resource Recovery Group (RRG)	1

22. The eQuote 2024 -03 Evaluation Report is provided as Confidential Attachment 1 to this report.
23. The recommended eQuoters submission best satisfied the City's requirements by:
- a) Meeting or exceeding the qualitative assessment benchmark
  - b) Proven capacity and capability to provide FOGO Processing Services for the City;
  - c) Hold the applicable criteria to be conforming to carry out the FOGO Processing Services requested in this contract;
  - d) Providing the best value for money assessment in the following way:  

$$\text{Tendered Price} + \text{Estimated Transport Cost} + \text{Other Factors} = \text{Total Cost of Contract}.$$
24. The Evaluation Panel recommends the City ACCEPT the Schedule of Rates pricing for ensuring best value for money .
- Recommendation as follows:
- That Council **ACCEPT** the eQuote 2024-03 FOGO Processing Services submitted by:
- a) Resource Recovery Group ABN 28 965 675 752 of 9 Aldous Place, Booragoon WA 6154
- as set out in Confidential Attachment.
- That Council **NOTE** that proceeding with this recommendation necessitates variations to Waste Services Management Contract with Cleanaway Pty Ltd.

**APPLICABLE LAW**

25. Section 3.57 of *Local Government Act 1995*. Part 4 of the *Local Government (Functions and General) Regulations 1996*.
26. Section 27 of the *Carbon Credits Act (Carbon Farming Initiative) Act 2011*.

**APPLICABLE POLICY**

27. Policy C-PP01 – Purchasing has been followed and complied with.

**FINANCIAL CONSIDERATIONS**

- 28. When considering the financial impact of this contract on the City’s operational budgets, it should be noted that the eQuote cost and existing transport contracts were considered to inform a net position (Total Cost of Contract).
- 29. The anticipated annual spend on FOGO Processing services over the life of this contract may vary from year-to-year dependent on:
  - a) % of FOGO material processed annually
  - b) Changes in government fees notably the Landfill Levy
  - c) Annual CPI increases
  - d) Levels of Contamination in FOGO material delivered
- 30. The use of FOGO Processing Services under this contract will form part of approved annual expenditure budgets in Waste Services and Income will be generated through the City’s Waste Services Fee.
- 31. This FOGO Project will earn ACCU's (one ACCU represents one tonne of carbon dioxide equivalent) which are a tradeable financial product and can be traded or sold on the secondary market or to the Australian Government. This project will earn ACCU's over a 13 year period.

**SUSTAINABILITY**

- 32. The City’s Waste Plan June 2020 included as its first action the introduction of 3<sup>rd</sup> bin FOGO for kerbside collection service along with 16 other waste actions to meet the State’s Waste Avoidance Strategy Targets through measures to generate less waste, to recover more value and resources from waste and protect the environment by managing waste responsibly.

**RISK MANAGEMENT**

33.

<b>Risk:</b> The City accepts an eQuote FOGO Processing Services, and the Contractor is unable to fulfil their contractual requirements.		
<b>Consequence</b>	<b>Likelihood</b>	<b>Rating</b>
Critical	Unlikely	High
<b>Action/Strategy</b>		
a) Validation of the eQuoter’s capabilities to receive the anticipated waste volumes has been assessed as Compliance Criteria.		
b) DWER licence conditions provides quality assurance on the environmental operating requirements.		

34.

<b>Risk:</b> That the City is unable to engage the preferred eQuoter on 1 July 2024 to allow for a smooth introduction of the FOGO Service as planned to the community from the first week of September 2024.		
<b>Consequence</b>	<b>Likelihood</b>	<b>Rating</b>
Critical	Possible	High
<b>Action/Strategy</b>		
<p>a) If the Officer recommendation is resolved by Council, the City can deliver this new service as planned to commence the first week of September 2024.</p> <p>b) The City could continue its existing kerbside service without FOGO until such time that Council resolves to proceed with a recommendation as a result of this eQuote Process and would need to negotiate with its current contractors the high costs associated in delaying the roll out and undertake a significant community engagement process.</p>		

**CONCLUSION**

- 35. The delivery of eQuote 2024-03 FOGO Processing Services will allow the City to carry out its role in the provision of these essential services relating to waste collection and disposal for the health and safety of its residents and meet its Waste Plan & Local Environment Strategy outcomes pertaining to reducing the volume of waste sent to Landfill.
- 36. The City is satisfied that the recommended eQuoter having the demonstrated experience, the capability, capacity, along with experienced staff and resources available to provide the City with the required FOGO Processing Services.
- 37. It is recommended that Council award eQuote 2024 -03 as set out in the Recommendation clause of this report.

<b>Voting Requirements: Simple Majority</b>
---

**RECOMMENDATION**

That Council:

1. ACCEPT the eQuote 2024-03 FOGO Processing Services submitted by:
  - a) Resource Recovery Group ABN 28 965 675 752 of 9 Aldous Place, Booragoon WA 6154 for Schedule of Rates as set out in Confidential Attachment 1.
2. ACKNOWLEDGE the City's success in its application to the Clean Energy Regulator in respect to Carbon Credit Units (ACCU's)
3. NOTE that following contractual award, the City of Kalamunda FOGO 3<sup>rd</sup> Bin project is planned to commence roll-out in the first week of September 2024; and,
4. NOTE that proceeding with this recommendation necessitates variations to the Waste Services Management Contract 2022-01 with Cleanaway given the City has made its final investment decision in respect to its FOGO Project.

2. The 2023 community engagement overview showcases the breadth of methodology and campaigns undertaken.
3. The recommendation is to receive the Community Engagement Overview for the 2023 Calendar year.

**BACKGROUND**

4. The City of Kalamunda (City) undertakes a review of Community engagement annually, by undertaking post campaign evaluations.
5. Each engagement campaign also has a comprehensive Community Engagement report published, with verbatim results, along with a summary of all communications and promotion undertaken by the City during the campaign.
6. 'Community engagement' is used as an umbrella phrase to include informing, consultation, engagement, and empowering activities. The City of Kalamunda engages through the IAP2 Spectrum of Public Participation which identifies 5 subcategories of engagement.

Inform	Consult	Involve	Collaborate	Empower
--------	---------	---------	-------------	---------

7. The core values outlined by IAP2 for community engagement are:
- a) The public should have a say in decisions about actions that could affect their lives.
  - b) Public participation:
    - i. includes the promise that the public's contribution will influence the decision.
    - ii. promotes sustainable decisions by recognising, and
    - iii. communicating the needs and interests of all participants, including decision makers
    - iv. seeks out and facilitates the involvement of those potentially affected by or interested in a decision.
    - v. seeks input from participants in designing how they participate.
    - vi. provides participants with the information they need to participate in a meaningful way.
    - vii. communicates to participants how their input affected the decision.

## **DETAILS AND ANALYSIS**

8. In 2023, the City had a total 46 projects open for public comment. These projects spanned a wide variety of the City's services, policies, and community issues, including planning proposals, policy development, environmental initiatives, City facility and amenity consultations, and road safety awareness programs.
9. The total visits to the engagement portal was 41,109, up from 38,700 in 2022.
10. The max visitors per day was 942, up from 718 in 2022.
11. Pop-up booths, direct mailouts, workshops and opportunities for dialogue continue to be very popular.
12. All engagement projects are supported with an integrated marketing campaign, to ensure maximum reach across a diverse range of audiences in our community, regardless of whether they are online, at home or face-to-face in the public domain (such as shopping centres or at City events).

### STRATEGIC PLANNING ALIGNMENT

*Kalamunda Advancing Strategic Community Plan to 2031*

#### Priority 1: Kalamunda Cares and Interacts

**Objective 1.2** - To provide a safe and healthy environment for community to enjoy.

**Strategy - 1.2.1** Facilitate a safe community environment.

#### Priority 4: Kalamunda Leads

**Objective 4.1** - To provide leadership through transparent governance.

**Strategy 4.1.1** - Provide good governance.

**EXECUTIVE SUMMARY**

1. The purpose of this report is to provide Council with the outcomes of the fire hazard and compliance assessments undertaken by the City of Kalamunda (City) during the 2023/2024 fire season, through the administration of the city's Fire Hazard Assessment Plan 2023/2028 (The Plan).
2. The comprehensive bushfire hazard inspection program aims to evaluate bushfire readiness and compliance against the Fire Hazard Reduction Notice (Notice) on privately owned land within the City.
3. Overall, the 2023/2024 City's bushfire compliance inspections outcomes indicate an improvement in compliance in comparison to previous seasons.

**BACKGROUND**

4. Bushfire prevention and preparedness planning is critical to the implementation of the City's strategic objective to provide a safe and healthy environment for the community to enjoy.
5. Pursuant to Section 33 of the *Bush Fires Act 1954*, the City issues a Fire Hazard Reduction Notice each year to put measures in place to prevent the outbreak, spread or extension of bush fires.
6. In support of the Notice, the City prepared a 5-year Fire Hazard Assessment Plan. The purpose of the Plan is to outline the City's approach regarding education and enforcement of the Notice and embodies a fair and equitable approach to managing bushfire risks, incorporating strategies to ensure both compliance and preparedness.
7. The current Plan is due for a comprehensive review prior to the start of the 2028 season.

**DETAILS AND ANALYSIS**

8. The Plan was implemented this year by a team of experienced full time Community Bushfire Preparedness Officers that specialise in Emergency Management & Fire Compliance, these Officers are also authorised Fire Control Officers (FCO) under the *Bush Fires Act 1954*. It is essential to understand that while our Officers hold FCO status, their duties are limited to compliance related matters, and they do not respond to fires.

9. This adept and seasoned team collaborates with the community year-round, not only conducting fire hazard inspections but also executing various emergency management tasks to enhance general community preparedness and build resilience to several identified local risks which are identified within the City's Local Emergency Management Arrangements (LEMA).
10. Key performance outcomes from the 2023/2024 season include:
- a) 2,508 extreme, high and medium-risk Individual Land parcels were inspected
  - b) 3,011 overall assessments were completed
  - c) 2,124 properties were assessed as compliant on the first inspection which equates to 84.69% of all assessments
  - d) 314 work orders were issued
  - e) 29 Infringements were issued for non-compliance's to the Notice
  - f) 132 properties were inaccessible on first inspection
  - g) 129 inaccessible properties were followed up and later inspected leaving 3 properties not assessed.
  - h) 195 lifetime variations to the Notice were approved
  - i) 22 grazing variations to the Notice were approved
  - j) 37 permits to burn were issued
  - k) 32 Illegal (Fires) were reported and attended to by City authorised Fire Control Officers resulting in 6 infringements being issued.
  - l) 33 total fire bans were declared by the Department of Fire & Emergency Services
11. It is also positive to note that a sizeable percentage of properties inspected were compliant with the Notice on the first inspection, with less than 13% of assessments resulting in a formal work order being issued. Out of the 314 work orders issued on follow up, 285 were compliant and 29 remained non-compliant
12. A detailed breakdown based on property size, suburb and type of issue can be found in attachment 1.

**APPLICABLE LAW**

13. *Bush Fires Act 1954*

**APPLICABLE POLICY**

14. N/A

**STAKEHOLDER ENGAGEMENT**

- 15. The Fire Hazard Assessment Plan and Notice have been prepared in consultation with the Department of Fire and Emergency Services (DFES) and the Bushfire Advisory Committee.
- 16. Further engagement has also occurred several Community Working Groups.

**FINANCIAL CONSIDERATIONS**

- 17. Provision for the proposed 2024/2025 Fire Hazard Assessment program and Notice have been allocated in the 2024/2025 operational budget.

**SUSTAINABILITY**

- 18. The City’s implementation of the five-year Fire Hazard Assessment Plan which is implemented throughout the entire year includes a comprehensive community pre-season educational plan and is a key initiative in ensuring the City and its residents are better prepared for the risks and dangers that accompany a changing and drying climate.

**RISK MANAGEMENT**

19.

<b>Risk:</b> Failure to implement the FHA Plan may result in increased, unmanaged fuel loads leading to increases in uncontrolled fire events.		
<b>Consequence</b>	<b>Likelihood</b>	<b>Rating</b>
Major	Almost certain	Extreme
<b>Action/Strategy</b>		
Through introducing the Notice each year and the implementation of the FH Assessment Plan, the City will reduce the impact of a catastrophic fire event in the most high-risk areas.		

20.

<b>Risk:</b> Failure to prepare the community for bushfires, may result in significant reputational and financial damage.		
<b>Consequence</b>	<b>Likelihood</b>	<b>Rating</b>
Significant	Likely	High
<b>Action/Strategy</b>		
By City staff implementing the Plan as its intended, will reduce the risk to its reputation preventing widespread criticism from community and media representees.		

## **CONCLUSION**

21. The City is using the Notice and Plan as an opportunity to engage with the community and educate residents on how to prepare and protect their properties. The implementation of the assessment plan is one of the City's largest face-to-face interactions with the community.

<b>Voting Requirements: Simple Majority</b>
