## MELVILLE, Doug

I have been a resident in Kalamunda for over twenty years providing JP services locally during that period. My working life has seen service in: WA Police (sworn officer); teacher in state and private schools; Principal Consultant and leader with the WA Department of Education. In business I have consulted to government in planning and program management at a local, state and interstate level. I am keen to see the City of Kalamunda flourish through developing local and transparent policies, my priorities being:

- Improved community safety and security
- Commitment to recycling and alternative waste reduction
- Encouraging the preservation of our natural environment
- Open and accountable governance
- Improved current and future public open space
- Sustainable commercial development; and
- Developing and maintaining a vibrant community.

I have the skills and vitality to be a strong voice on Council and I ask for your support.
