Nominating for	Councillor for North Ward
Election Type	Ordinary

RITCHIE, Kathy

My family has lived in the City for 35 years.

As a teacher I have worked across the State and for 18 years I had the privilege to be Principal of Kalamunda SHS. I have a strong interest in and understand the needs of children and their families.

As a teacher and Principal I developed strong interpersonal and team building skills. These skills are critical to the role of Councillor and to the cohesive and effective running of Council.

I have been able to give back to the community as a volunteer at Kanyana and the Visitor's Centre. As a Land for Wildlife property we have created a sustainable forest habitat.

I believe I have much to offer and welcome the opportunity to contribute and give back to the place we call home.

Thank you for support in the recent by-election. I am committed, if elected, to continue to serve you.
