BILICH, Sue

Are you tired of feeling like the POOR COUSINS living in the foothills?

I LIVE and WORK in High Wycombe, my background is Grief Counselling, Businesswoman, Foster Mother and dedicated Community Advocate.

Founding member of National SIDS (Sudden Infant Death Syndrome). Former WA President and Founder 'RED NOSE DAY'. Helping to raise millions of dollars for research and support working with the Coroner and Police whilst supporting bereaved parents.

Experienced and Competent in Local Government, I will fight for residents impacted by incomplete planning around the Train Station, the Green Belt bureaucratic dilemma, Underground Drilling Damage and future Airport Noise issues.

Strongly supporting our Environment, Volunteers, Seniors, Families, Youth, Sporting and Community Groups.

Mayoral dinner costing \$30,000 (\$190 per head), a \$4,500 hypnotist for entertainment, this expenditure is outrageous, I will vote to have this ABOLISHED!

STOP EXCESSIVE EXPENDITURE IN THE HILLS - TIME TO FOCUS ON THE FOOTHILLS!
