BUNN, Michelle

I moved to Kalamunda over 25 years ago with my husband, raised our two children here, and love Kalamunda's strong sense of community. I am passionate about ethics, accountability, equity and social justice, protecting the environment and doing my best to live sustainably.

My professional background is in State Government policy and legislation where I worked to improve public sector management and governance.

Locally, I hold several volunteer community roles including: member Transition Town Kalamunda; Kalamunda Uniting Church Council Chair; Leader and Treasurer for The Girls' Brigade Kalamunda. I was Kalamunda Primary School Council Chair 2006 and 2007.

This means I am familiar with the needs of both young people and the elderly, with the diversity of our community, and am skilled in building consensus and finding common ground.

If elected, it will be my privilege to bring these abilities to the role, to listen to and serve the community.
