WADDELL, Andrew

I am local through and through, grew and went to school in High Wycombe. When I was in Parliament, I setup my office in High Wycombe and I'm proud to have contributed to the lobbying, planning and delivery of some major local projects. I currently work in the IT industry improving the delivery of health care services. I also currently serve as a Justice of the Peace, helping locals with legal matters.

This community has always been important to me and I want to make it a great place to live. People want, good roads and footpaths, reliable rubbish collection, services for the elderly, a safe place for our kids to play and community events to bring people together. I want to help deliver these services through the council.

I care about our community, the environment, keeping our rates as low as possible. Please go to www.waddell.fyi for more info.
