CHOW, Bruce

Integrity, accountability and fairness.

Hello, my name is Bruce, I am running for the position of Councillor.

I have lived within Kalamunda City for about 30 years: in Forrestfield, Wattle Grove, Kalamunda and Walliston. I currently live in Lesmurdie with my wife Josie (Padula) and the youngest of my three sons Kofi.

My professional background includes 15 years of teaching and more recently nine years as the Chiropractor and owner of Kalamunda and Midland Wellness Centres (and voluntary Chiropractor at the Esther Foundation). I also help at the Sunday Farmer's Market selling stone fruit from the in-laws Walliston orchard in summer.

I would like to make a difference in the Kalamunda City in three areas: small business, tourism and agriculture. As a small business owner, I understand the difficulties facing local businesses. I believe tourism and agriculture should be encouraged and supported to help our local businesses and community thrive.
