## O'CONNOR, Peter

After nearly 30 years of service in the Australian Regular Army, my family and I are very fortunate to now be permanently back in our home town and living in the beautiful City of Kalamunda.

Although I continue to serve with the Army as a reserve Officer, most of my time is now dedicated to running a family business.

As a Major in the Army, I have been engaged with local communities all over Australia through my various postings. Now, I am able to be involved in our community and hopefully use my experiences to help represent the aspirations of the local community.

Our community is very diverse and dynamic. I believe I have the discipline and drive to be an effective voice for you in our local government.
