SEWELL, Janelle

As a long term resident of Bickley who also works in the heart of Kalamunda, I have a deep understanding of our town and its diverse needs. I am committed to standing up for what's right and to asking the hard questions to ensure the best outcomes for our community.

My experience over the past 25 years has ranged from leading major campaigns to protect our land and water from fracking to negotiating better pay and conditions for staff in front-line positions and for Police and other workers.

I am a mother of two boys, a community volunteer and a research officer within the Kalamunda electorate.

I'm here to serve and I look forward to working with you to proactively make a positive difference to our community.

I bring integrity and honesty to the role and will work with you to create an even better Kalamunda.
