Ballot Paper Name	O'DONNELL, Brooke
Nominating for	Councillor for South West Ward
Election Type	Ordinary

O'DONNELL, Brooke

As your present Councillor I have spent the past four years working to deliver the best outcomes for Forrestfield and Wattle Grove, improving services and facilities, enhancing parks and protecting our environment.

As a longstanding Foothills resident with children attending Wattle Grove Primary my passion for our community has been the driving force to continue being a strong advocate for our area.

It is imperative that funding increases and continues to be distributed where the majority of ratepayers live.

I ask you show ongoing support by voting for me to remain as your chosen Councillor.

If re-elected I will continue to support community groups, promote our region and advocate for better services and facilities, as well as advocate for greater consistency in financial management and decision making in the City of Kalamunda.

If you have concerns within our community I am and will be here to talk to. Thank you.
