## PANDIAN, Raj

I am **RAJ** Pandian, living with my family in Wattle Grove for the past 10 years. I have been Volunteering and Servicing the community since 1987 in Australia. As an enthusiastic people person, I always help and care people around me. I strive to see everyone Happy and Safe in the community.

I am well aware of issues affecting our ward. I have been voicing our community concerns at different forums through MLA, local government members and media.

Addressing the issues of the residents would be more efficient if I am a local council member. I seek your support to represent the electorate in the local government.

My priorities include addressing community **Safety, Rates hike, Transparency and Accountability in the Local government Functioning and development of Parks and recreational Facilities** for the children. As your representative, I am always open for your concerns and suggestion.
