

Candidate Details

District	City of Kalamunda
Candidate Name	David Douglas HEARNE
Ballot Paper Name	HEARNE, David
Nominating for	Councillor for South West Ward
Election Type	Ordinary

HEARNE, David

I am a homeowner and father in Forrestfield (6 years)

My background is in Community Services and Labouring/transport/logistics. I represent the hardworking people of the South West ward and its community organisations.

I'm motivated to nominate because the Southwest ward is not utilising its full potential. Major changes are occurring in our area with Metronet, Mainroads and urban development. Your support is required to work together; improving and MAINTAINING open spaces, increasing the level of fairness and equity across the Shire, improving facilities, increasing property values and to instill a sense of ownership and pride.

I am independent, unaligned and will maintain those values while representing you and the immediate community. I will represent your interests, needs and opinions.
