

Reserve	Reserve No.	Rating	Description	Action	Priority
<b>Forrestfield – 62.77ha @ 11.12%</b>					
<b>Accumulative Potential Transfer = 9.87ha. Reduces Forrestfield POS to 57.84ha and 10.25%</b>					
Almond Way POS	R 34237	D	Local Park which is an island that Almond Way surrounds. Low quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.  <b>Potential Transfer.</b> If deemed more appropriate swap action with Anderson Road Park. Transfer of either park to fund the improvement of the other. 0.21ha. Reduces Forrestfield POS to 62.54ha and 11.08%. Requires community consultation.	<b>Medium</b>
Anderson Road Park	R 36350	C	Local Park of low quality. Located 80m from Almond Way POS.	<b>Potential Transfer.</b> If deemed more appropriate swap action with Almond Way POS. Transfer of either park to fund the improvement of the other. 0.21ha. Reduces Forrestfield POS to 62.54ha and 11.08%. Requires community consultation.  <b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
Berberis Way Reserve	R 34858	C	Small reserve serves as access way between two cul-de-sacs.	<b>No Action</b> required.	<b>Review Periodically</b>
Berkshire Road Reserve	R 47926	D	Vacant cleared land with no infrastructure or vegetation. No quality or function. Neighbours commercial lot.	<b>Potential Transfer.</b> 0.2ha. Reduces Forrestfield POS to 62.55ha and 11.09%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Blackbutt Way Reserve	R 35230	C	Local Park which is an island surrounded by Blackbutt Way. Low quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
Cambridge Road Reserve	R 27559	D	Large reserve with drainage and dispersed natural vegetation. Identified as potential location for aged person development. Refer to Cambridge Road Recreational Reserve Report prepared by The Planning Group 2012. Concept plans identified up to 4ha to be developed with remainder to be retained POS. Hester Land Assessment Report 2011 recommends partial transfer with partial area retained for POS.	<b>Potential Transfer.</b> 8.94ha. Noting that transfer would likely not exceed 4ha. Transfer of up to 4ha Reduces Forrestfield POS to 58.77 and 10.42%. Requires community consultation.  <b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically. It is noted that work has already begun on this project.	<b>High</b>
Connaught Street Reserve	R 28447	C	Local Park of reasonable quality and function. Eastern portion of reserve on the east side of Cowra Street was identified in the Hester Land Assessment Report 2011 for transfer with funds being re-invested into more strategic recreation reserves in the	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>High</b>

			district. Important strategic location due to size of the reserve providing potential for multiple uses.	<b>Potential Transfer (East Portion).</b> 0.18ha. Reduced Forrestfield POS to 62.59ha and 11.09%. Requires community consultation.	
Dawson Park	R 35618	C	District Park with sporting oval and areas of natural vegetation. Reasonable quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>High</b>
Fagin Way Reserve	R 36344	C	Small reserve serves as access way between Fagin Way and Jubilee Road.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Gala Way POS	R 48079	C	Local Park of reasonable quality.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Gotha Way POS	R 33000	D	Local Park which is an island that Gotha Way surrounds. Located 150m from Hartfield Park and Connaught Street Reserve.	<b>Potential Transfer.</b> 0.36ha. Reduces Forrestfield POS to 62.41ha and 11.06%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Hale Road Easement	R 34857	D	Long reserve which provides a connection through Forrestfield north-south. Transmission corridor runs along it.	<b>Improve.</b> As funding and resources allow, project specific brief required. Prioritise pedestrian/cycling access and beautification. Review periodically.	<b>High</b>
Lincoln Road Reserve	R 32494	B	Large local park of reasonable quality and functionality. Important strategic location due to proximity to Activity Centre and size of the reserve providing potential for multiple uses.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>High</b>
Magnolia Way Reserve	R 34115	C	Local Park of reasonable quality. Next to Forrestfield District Centre. Hester Land Assessment Report 2011 recommends transfer with funds being re-invested into more strategic recreation reserves in the district.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Consider key linkages with Forrestfield District Activity Centre and Woodlupine Brook Reserve. Review periodically.	<b>High</b>
Orchard Park Estate 1	R 46496	C	Local Park of reasonable quality.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Orchard Park Estate 2	R 47765	C	Local Park of reasonable quality.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Orchard Park Estate 3	R 47680	C	Local Park of reasonable quality.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Pioneer Park	R 41156	D	Regional Park fenced off with very limited use. Previously a multi-purpose sports facility. Contaminated site that required remediation to be functioning reserve. Hester Land Assessment Report 2011 recommends long term opportunity requiring detailed structure planning process to be undertaken.	Investigate costs of remediation and most suitable course of action.	<b>High</b>

Sultana Road East POS	R 48778	C	Local Park of reasonable quality. Hester Land Assessment Report 2011 recommends rationalisation of reserve.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Sussex Road Reserve	R 31690	D	Small reserve of low quality and function. Natural vegetation present. Identified in Hester Land Assessment Report 2011 for transfer with funds being re-invested into more strategic recreation reserves in the district.	<b>Potential Transfer.</b> 0.16ha. Reduces Forrestfield POS to 62.16ha and 11.02%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Tillia Court Reserve	R 42611	C	Local Park of reasonable quality. Hester Land Assessment Report 2011 recommends that further investigation required to identify ability to transfer of site.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
<b>Gooseberry Hill – 8.36ha @ 2.36%</b>					
<b>No transfers proposed</b>					
Currawong Drive Reserve	R 33236	D	Large reserve of low quality and function. Large amounts of vegetation and poorly maintained.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Currawong POS	R 33235	C	Local Park of reasonable quality. Difficult to access/know it exists.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Huntley Street Reserve South	R 29403	D	Vacant land with existing vegetation. Wedged between residential lots and restricted access due to its location. Very little scope for any possible action.	<b>No Action</b> possible. Review periodically.	<b>Review Periodically</b>
<b>High Wycombe – 41.40ha @ 8.68%</b>					
<b>Accumulative Potential Transfer = 1.35ha. Reduces High Wycombe POS to 39.89ha and 8.36% *Note that Forrestfield North likely to increase High Wycombe POS percentage above 10%</b>					
Abernethy Road Reserve		C	Large reserve at Abernethy Road/Kalamunda Road intersection. Limited function and hard to access for pedestrian. Could potentially be used for road widening/upgrades in the future.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Acton Link Reserve	R 51238	C	Local Park with of reasonable quality and limited function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Adelaide Street Reserve		D	Vacant cleared land with no infrastructure or vegetation. Used for drainage. 250m from Larwood Crescent POS.	<b>Improve.</b> As funding and resources allow, project specific brief required. Prioritise drainage improvements and beautification. Review periodically.	<b>Low</b>
Agraulia Court Park	R 50010	C	Local Park of reasonable quality and function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>

Bandalong Way Reserve	R 30540	D	Vacant land with existing natural vegetation. Limited quality and function. 280m from Rangeview Park. Hester Land Assessment Report 2011 recommends transfer.	<b>Potential Transfer.</b> 0.18ha. Reduces High Wycombe POS to 41.22ha and 8.63%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Citrus Grove Reserve	R 28491	D	Vacant land with existing vegetation. Wedged between residential lots and restricted access due to its location. Hester Land Assessment Report 2011 recommends transfer.	<b>Potential Transfer.</b> 0.16ha. Reduces High Wycombe POS to 41.24ha and 8.64%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Cyril Road Reserve	R 33977	C	Large Local Park of low quality and function. Located near Peter Annus Park, Progress Reserve and Rangeview Park which provide greater function and quality. Given existing natural vegetation Cyril Road Reserve can serve more of an aesthetic function. Hester Land Assessment Report 2011 recommends reserve be retained.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
Ellis Court POS	R 40352	D	Vacant land with existing natural vegetation. Limited quality and function. Access via Ellis Court cul-de-sac. Buffer from Roe High Way. Limited scope for any possible action. Hester Land Assessment Report 2011 recommends transfer.	<b>Potential Transfer.</b> 0.37ha. Reduces High Wycombe POS to 41.03ha and 8.60%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Emms Reserve	R 27815	C	Local Park of reasonable quality and function. Hester Land Assessment Report 2011 recommends transfer.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Gladys Newton Park	R 47320	C	Neighbourhood Park of limited quality and function. Neighbouring lots likely to become Aged Persons Accommodation.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
John McLarty Park	R 41731	C	Local Park of reasonable quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
Larwood Crescent POS	R 48863	C	Local Park of reasonable quality and function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Peter Annus Park	R 36287	C	Local Park of low quality and limited function. Across the road from Rangeview Park	<b>Potential Transfer.</b> 0.35ha. Reduces High Wycombe POS to 41.05ha and 8.60%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Peter Hegney Park	R 40529	C	Local Park of reasonable quality and function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Rangeview Park	R 36297	B	Large local park of reasonable quality and functionality. Important strategic location due to size of the reserve providing potential for multiple uses.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>High</b>

Pine Tree Reserve	R 42607	C	Local Park of reasonable quality and function. Island surrounded by O'Connell Way.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Swan Road Reserve	R 33221	D	Vacant land with existing natural vegetation. Wedged between residential lots and restricted access due to its location. Very little scope for any possible action. Hester Land Assessment Report 2011 recommends transfer, however will require the acquisition of an adjacent lot to be able to provide access.	<b>Potential Transfer.</b> 0.35ha. Reduces High Wycombe POS to 41.05ha and 8.60%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Viv Robinson Park	R 42697	C	Local Park of reasonable quality and function. Provides pedestrian access from Joudah Court, Damper Place and Wittenoom Road.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
<b>Kalamunda – 36.07ha @ 5.80%</b>					
<b>Accumulative Potential Transfer = 0.58ha. Reduces Kalamunda POS to 35.49ha and 5.71%</b>					
Beenup Place Reserve	R 39684	D	Local Park of limited functionality. Some native vegetation on the reserve.	<b>Potential Transfer.</b> 0.14ha. Reduces Kalamunda POS to 35.93ha and 5.78%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Broula Road Reserve	R 28175	C	Local Park of reasonable quality and function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Gunbar Way Reserve	R 28896	D	Vacant land with existing natural vegetation. Neighbouring property using for parking. Limited scope for transfer or improvement. Hester Land Assessment Report 2011 recommends transfer.	<b>Potential Transfer.</b> 0.12ha. Reduces Kalamunda POS to 35.95 and 5.78%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Herald Close Reserve	R 31448	D	Vacant land with existing natural vegetation. At the end of Herald Close cul-de-sac. Limited scope for improvement. Hester Land Assessment Report 2011 recommends transfer.	<b>Potential Transfer.</b> 0.08ha. Reduces Kalamunda POS to 35.99ha and 5.79%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
J.Miller Park	R 37394	D	Vacant land with existing natural vegetation. At the end of Manooka Way cul-de-sac. Hester Land Assessment Report 2011 recommends improvement.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Lalor Place POS	R 36865	C	Local Park of low quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
Nangkita Way Reserve 1	R 32277	C	Local Park of reasonable quality and low function. 150m away from Nangkita Way Reserve 2.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>

Nangkita Way Reserve 2	R 30693	C	Local Park of reasonable quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Simeon Close Reserve	R 36352	D	Local Park of limited functionality. Some native vegetation on the reserve. Hester Land Assessment Report 2011 recommends transfer.	<b>Potential Transfer.</b> 0.24ha. Reduces Kalamunda POS to 35.83ha and 5.76%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
<b>Lesmurdie – 40.69ha @ 6.07%</b>					
<b>Accumulative Potential Transfer = 0.41ha. Reduces Lesmurdie POS to 40.18ha and 6.00%</b>					
Anthony Street Reserve	R 31692	D	Vacant land. At the end of Anthony Street. Difficult to access/know it exists. Limited scope for improvement or transfer. Hester Land Assessment Report 2011 recommends transfer.	<b>Potential Transfer.</b> 0.20ha. Reduces Lesmurdie POS to 40.49ha and 6.04%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Glen Road POS	R 29384	C	Local Park of reasonable quality and function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Lesmurdie Road Reserve	R 32300	D	Vacant land with existing natural vegetation. Low quality and no function.	<b>Potential Transfer.</b> 0.21ha. Reduces Lesmurdie POS to 40.48ha and 6.04%. Requires community consultation.	<b>Transfer Schedule to be determined – Action 2.2.1</b>
Mario Court POS	R 41036	D	Vacant land with existing natural vegetation. Wedged between residential lots and difficult to access/know it exists. Pedestrian access pathway links Mario Court to Rootes Road. Limited scope for improvement. No scope for transfer.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>High</b>
Nangkita Way Reserve 2	R 30693	C	Local Park of reasonable quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Neil Tonkin Park/Falls Farm Reserve	R 38569	C	Neighbourhood Park of reasonable quality and function.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
Pagotto Park	R 26531	C	Local Park of reasonable quality and function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Peter Thiel Reserve	R 34666	C	Local Park of reasonable quality and function.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>

Sanderson Road Reserve/Pax Hill	R 29190	D	Vacant Land with existing natural vegetation. Neighbours existing bushland. Hester Land Assessment Report 2011 recommends portion be retained as POS and investigate potential for portion to be transferred.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Low</b>
<b>Maida Vale – 19.27ha @ 9.08%</b>					
<b>No Transfer Proposed *Note that Maida Vale South likely to increase Maida Vale POS percentage</b>					
Berry Drive Reserve	R 32230	C	Local Park of reasonable quality and limited function. Neighbours Scenic Drive Reserve and is across the road from Meloway Drive Reserve.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Davies Park	R 28852	B	Large local park of reasonable quality and functionality. Important strategic location due to size of the reserve providing potential for multiple uses.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
Kalamunda Road Reserve	R 41480	C	Local Park of reasonable quality and low function. Neighbours transmission corridor. Hester Land Assessment Report 2011 recommends reserve be retained.	<b>No Action</b> required. Ensure maintained to acceptable standard. Review periodically.	<b>Review Periodically</b>
Meloway Drive Reserve	R 32108	C	Local Park of reasonable quality and function. Hester Land Assessment Report 2011 recommends investigation into potential transfer.	<b>Improve.</b> As funding and resources allow, project specific brief required. Refer to List of Priority Improvement and Implementation Items in Section 4.5. Review periodically.	<b>Medium</b>
Nestle Brae Creek Reserve	R 35209	D	Local Park of low quality and limited function. Wedged between residential lots, located at end of Gumnut Close cul-de-sac. Nestle Brae Creek runs through the reserve.	<b>Improve.</b> As funding and resources allow, project specific brief required.
